CHAIR'S REPORT

Dear Bulldogs Family,

As we reflect on 2025, I am filled with immense pride at what we have achieved together. This has been a year of celebration, historic milestones, and extraordinary success both on and off the field. As we celebrated our 90th anniversary, this season will be remembered for years to come.

Our NRL team delivered performances that made every Bulldogs fan proud. Finishing third on the ladder marked our first top four finish since 2012, a testament to the culture and systems Cameron Ciraldo and his coaching staff have built. From our remarkable 6-0 start — our best beginning since 1938 — to the resilience and grit shown throughout the season, our players embodied everything it means to be a Bulldog.

The season was filled with unforgettable moments that will live long in the memory. Our amazing comeback win against Canberra showcased the never-say-die attitude that defines this team. Max King's try on Good Friday was a moment of pure magic. Our 1995 grand final replay against Manly at Allianz Stadium provided another chapter in one of rugby league's great rivalries.

While our finals campaign ended in the second week against Penrith, the progress we've made is undeniable. Under Stephen Crichton's outstanding leadership, this team has established a foundation for sustained success. His captaincy, both on and off the field, has been exemplary, and we couldn't be prouder of how he has embraced this role.

The Blue and White Army proved once again why they are the best in rugby league. We recorded the two highest standalone regular season crowds in the history of the game — 65,305 for our Good Friday clash against South Sydney and 59,878 for the King's Birthday match against Parramatta.

Our semi-final against Penrith drew 56,872 fans, demonstrating that when the Bulldogs are competitive, our supporters respond like no other club. The atmosphere at each of these matches, the walk from the Pullman Hotel through thousands of cheering fans, created moments our players will never forget.

We're particularly proud that we offered $10 tickets for our games against South Sydney, Parramatta, and New Zealand — making the game more accessible for families during challenging economic times. This was part of our commitment to ensuring the Bulldogs remain a club for everyone in our community.

Our players earned well-deserved recognition at the highest level of the game. Stephen Crichton, Max King, and Kurt Mann all played for their states in State of Origin, while Matt Burton and Jacob Kiraz were each selected as 18th man. This recognition reflects not just individual brilliance, but the quality and depth we're building across our entire squad.

The 2025 season saw us secure our football future with key contract extensions and strategic signings. Extending Phil Gould AM, Cameron Ciraldo, and Stephen Crichton through to 2031 provides the stability and continuity that championship teams are built upon. These aren't just coaches and players — they are architects of our future success.

We also secured the long-term futures of Harry Hayes (2029), Jacob Kiraz (2028), Bailey Hayward (2028), Bronson Xerri (2027), and Jaeman Salmon (2027), ensuring our core group remains together. The signings of Leo Thompson (2029), Lachlan Galvin (2028), Finau Latu (2028), and Kade Dykes (2027) demonstrate our continued ambition to build a premiership-winning squad.

4 July 2025 will forever be remembered as the day we fielded our inaugural NRLW team. Under the leadership of head coach Brayden Wiliame and co-captains Tayla Preston and Angelina Teakaraanga-Katoa, our women's team took the field for the first time against the Newcastle Knights — and what a win it was.

This wasn't just about adding a team — it was about providing pathways and opportunities for women in rugby league and our commitment to being a club for our entire community. The success of our Tarsha Gale and Lisa Fiaola teams in reaching the finals demonstrates the strength of our female pathways, and we're excited to see this program grow in the years ahead.

We're grateful to Wattyl for coming on board as our inaugural NRLW front of jersey sponsor and to Jaycar for their continued support of our women's program.

Our 90th anniversary demanded celebration worthy of our rich history. The Gala Dinner at Sydney Town Hall was a night to remember, as we inducted three new Hall of Fame members — Johnny Greaves, the late Steve Folkes, and Hazem El Masri. These legends represent different eras of Bulldogs greatness, and their induction ensures their contributions will never be forgotten.

At our AGM, we bestowed life membership upon James Graham and Darren Smith, recognising their outstanding contributions to our club. Both exemplify what it means to be a Bulldog, and we're honoured to have them as life members.

We also implemented important constitutional reforms, ensuring our club remains stable and operates in accordance with best practices for decades to come.

Our pathways programs continue to deliver outstanding results. Our SG Ball, Tarsha Gale, and Lisa Fiaola sides all made the finals, demonstrating the strength and depth of talent coming through our systems. These results give us tremendous confidence about the future of both our men's and women's programs.

We're also proud of our connection with the Fiji Silktails, who secured their first-ever win in the Jersey Flegg competition — a historic moment that highlights the impact of our development programs internationally. Our junior league registrations surged to almost 4,200 players, an 18% increase on last year, reflecting the health of rugby league in our district.

The commercial results speak to the incredible support our members and fans have shown. Our membership exceeded 32,000, with membership revenue 70% up on 2024. This growth reflects not just on-field success but the outstanding work of Aaron Warburton and the commercial team in delivering value to our members.

Retail sales increased 68% on 2024, with Bulldogs fans responding exceptionally well to our new apparel from O'Neills. Our heritage jerseys have been particularly popular, connecting our rich history with our exciting present.

We also unveiled a bold new club logo, honouring our heritage while defining this generation of Bulldogs. The design retains the iconic CB shield in the collar as a direct link to our past, while the powerful new bulldog face reflects the grit and tenacity that has come to define this team under Cameron Ciraldo's leadership.

Our digital engagement grew 61% and we secured an incredible 250,000 new social media followers as our social media team produced outstanding content that resonated with fans of all ages. From creative TikTok videos to high-quality videography, our digital presence is helping build excitement and connect with new generations of supporters.

These strong commercial results provide vital resources to remain competitive at the highest level.

Di Langmack OAM and her team have done exceptional work in our community, most notably through the Game-Changers initiative. This program unites schools, industry, law enforcement, and sport to empower students to confidently navigate real-life challenges.

Di's recognition as Canterbury Woman of the Year for 2025 is richly

deserved and reflects the tireless work she and the team do in engaging with our local community. This award reminds us that being a great club means more than just winning football games — it means making a positive difference in people's lives.

The Centre of Excellence project continues to progress well. After securing planning approval and commencing construction in November, we're on track to deliver a world-class facility that will transform our training capabilities. This facility represents our commitment to providing our players — both male and female — with the resources they need to reach their full potential.

As we look to 2026, excitement builds for our season opener in Las Vegas against St George-Illawarra. This represents a fantastic opportunity to showcase our club and our supporters on the global stage, and I have no doubt our fans will show the world why the Blue and White Army is unlike any other.

None of this would be possible without the continued support of the Laundy family and the Canterbury League Club. To all our commercial partners, thank you for your faith in our club and for being part of this incredible journey.

To my fellow Board members, Aaron Warburton, John White, and the entire administration team, your dedication and professionalism have transformed our club. To Phil Gould AM and our football department, your expertise and vision are shaping the Bulldogs of the future.

To Cameron Ciraldo and Brayden Wiliame, your coaching staffs, and our players across all teams — you have represented our club with distinction. Your hard work, dedication, and the pride you show in wearing the Bulldogs jersey make us all proud.

Finally, to our members and fans — you are the heart and soul of our club. Your passion, loyalty, and support have been the foundation of everything we've achieved this season. The atmosphere you created at our home games, the way you rallied behind our NRLW team in their inaugural season, and your commitment to our club through thick and thin embodies what it means to be part of the Bulldogs family.

As we celebrate our 90th anniversary, we do so knowing that the foundations are in place for sustained success. The transformation over the past 18 months has been very pleasing, but this is just the beginning. With your continued support, the talented squads we're building, and the outstanding work being done across every area of our organisation, I look forward to 2026 and beyond.

NRL REPORT

The Canterbury-Bankstown Bulldogs' 90th anniversary season will be remembered fondly as a year of high achievement and broken records during a key period in the Club's history.

Head Coach Cameron Ciraldo and Captain Stephen Crichton guided the Bulldogs to their first top four finish since 2012 and equalled the Club's best-ever start to a season with six consecutive wins - a feat only achieved by the 1938 Premiership-winning side.

The Round 7 Good Friday match also marked a new standard for the Club both on and off the field with a 32-nil demolition of South Sydney highlighted by an NRL record for a stand-alone regular season match after 65,305 packed into Accor Stadium.

Other famous victories throughout the season included the Belmore Sports Ground thumping of the Titans in Round 2, the Multicultural Round shutout of Newcastle in Round 5, a thrilling second-half comeback win over the Raiders in Round 10, the dominant King's Birthday victory over Parramatta, as well as a last-gasp win over rivals St George Illawarra in Round 20.

In one of the most unforgettable moments of the season, in Round 21, past and present came together with the Bulldogs producing a thumping 42-4 victory over Manly Warringah at Allianz Stadium in a perfect celebration of the 30-year anniversary of the 1995 Premiership.

It was a year of milestones with hulking forward Sitili Tupouniua headlining a list of Club debutants that also included mid-season signing Lachlan Galvin, prop Daniel Suluka-Fifita and outside back Enari Tuala. The Club's production line also continued producing with Academy graduates Jack Todd, Luke Smith and Jethro Rinakama all making their NRL debuts.

The Bulldogs had a strong presence in the representative arena with Captain Crichton featuring in all three matches for New South Wales, while Matt Burton and Jacob Kiraz earned 18th man status for the Blues. Workhorse forwards Max King and Kurt Mann were also rewarded for their early season form with long-awaited State of Origin debuts for NSW and Queensland respectively. Following the Origin period, the team locked in for the back end of the competition and a late season victory against Penrith all but ensured a third-place finish on the ladder - another milestone for the side's trajectory.

Crichton took home the prestigious Dr George Peponis Medal as well as the Players' Player gong in just his second season at the Club. Other winners to take home prizes included Josh Curran (NRL Community Award), Connor Tracey (Members Player of the Year), Jethro Rinakama (Rookie of the Year) and King (Coaches Award).

Season 2025 marked a significant stepping-stone for the Bulldogs as they continue to strive towards both on-field results and off-field achievements. While the year concluded in the second week of the finals series - after some brave performances in the face of injury-enforced adversity - the Club demonstrated resilience and progress.

NSW CUP REPORT

It was a year of opportunity for the Canterbury-Bankstown Bulldogs' Knock-On Effect New South Wales Cup side which saw over 40 players feature throughout the season, with three rewarded with NRL debuts.

After 26 rounds, the side, coached by Mick Potter, finished eighth on the ladder with ten wins, twelve losses and two draws, narrowly missing the finals.

Despite the lack of post-season football, the program proved to be the perfect stepping-stone to the NRL, with young trio Jack Todd, Luke Smith and Jethro Rinakama all earning NRL debuts off the back of their strong form in the NSW Cup.

Rinakama, who was named the 2025 Terry Lamb NSW Cup Player of the Year at the annual Dr. George Peponis Medal, went on to play a total of six NRL games – including two finals appearances, earning a call up to the Fiji Bati Pacific Championship squad.

There were also several standout performances that demonstrated the capability of the squad. A major highlight came in the 62-18 win over the South Sydney Rabbitohs, which was played as the curtain-raiser to the NRL clash on Good Friday, displaying the side's ruthless attacking prowess.

The team backed that performance with a dominant 34-18 win over the Penrith Panthers in Round 8, before ending Parramatta's four-game winning streak with an impressive 41-28 win in Round 10.

Injuries in the NRL squad and the State of Origin period impacted the team mid-season – but also created opportunities for players in the Jersey Flegg Cup and Ron Massey Cup to experience the higher standards of the NSW Cup competition.

Mick Potter's side finished the season in strong fashion with four wins and a draw from their last six matches, starting off with a 58-20 win over Manly in which young playmaker Mitchell Woods starred with a try, four try assists and 140 run metres.

The following week, the team showed fighting spirit to overcome a 22-6 deficit and defeat the Roosters 26-24 thanks to a late try scored by young forward Todd.

In Round 23, the Bulldogs took the top-of-the-table and eventual Premiers New Zealand Warriors right down to the wire, only for a try in the final eight minutes which sealed a 34-30 loss.

The team took plenty of confidence out of that performance and finished the season off on a high with back-to-back wins over the Western Suburbs Magpies and eventual Grand Finalists St. George-Illawarra.

Looking to 2026, there is plenty of reason to believe the side will harness their late-season form and continue to develop the next generation of NRL players.

JERSEY FLEGG CUP REPORT

The 2025 Jersey Flegg season represented another crucial year in our Club's pathways development, with Head Coach Josh Jackson leading a young squad through a demanding season.

Finishing sixth on the ladder, our performance statistics tell only part of the story. The Jersey Flegg program faced significant challenges that ultimately became opportunities for accelerated player development, with a substantial number of players called upon to step up into the Knock-On Effect NSW Cup. This led to the integration of several young SG Ball players into the Jersey Flegg squad, providing valuable experience for these emerging athletes while maintaining competitive standards. This fluid movement of players among our pathways programs reinforces our systematic approach to player progression and ensures continuity in our playing philosophy across all levels.

The season included strong performances against traditional rivals, with dual wins against both the Eels and Dragons, and a commanding 42-18 victory over the Roosters. The side finished positively with three wins from the final four matches. Finals hopes were dashed by a narrow one-point margin that saw them finish just outside the top five in a modified finals structure, demonstrating just how competitive this group was throughout the season.

Bailey Myers was recognised as the Club's Player of the Year, exemplifying the standards set for developing Bulldogs with his consistency, work ethic and commitment to continuous improvement. Under Josh Jackson's guidance, our Jersey Flegg program continues to serve its primary purpose: developing young men who understand what it means to be a Bulldog. The challenges presented this season accelerated the development of resilience, adaptability and mental toughness in our athletes.

As we reflect on the 2025 season, we're proud of the foundation being built for future success. The development focus of this program means that wins and losses, while important, remain secondary to preparing these young men for the demands of higher-level football and ultimately NRL opportunities.

SG BALL CUP REPORT

The Canterbury-Bankstown Bulldogs Under-19s SG Ball Cup team completed the 2025 regular season in seventh position before advancing to the second week of finals, marking consecutive seasons of finals qualification and demonstrating program consistency under Head Coach Steve Turner.

The squad's exceptional depth proved instrumental in navigating a challenging campaign affected by numerous injuries, with 35 players contributing throughout the season, including sixteen first-year participants who gained valuable developmental experience.

Team resilience was exemplified during the opening week of finals, where the squad overcame a 24-8 halftime deficit to defeat Cronulla-Sutherland.

Additional season highlights included successful away victories in Newcastle and New Zealand, showcasing the team's adaptability and mental fortitude under varying conditions.

While only five players appeared in every fixture, the squad's collective determination and adaptability were evident throughout the season. Paul Johnson emerged as the side's leading try-scorer, while second-year Captain Alex Conti provided exemplary leadership and fostered strong team cohesion.

The SG Ball Cup program's core focus on development and opportunity successfully balanced competitive performance with individual player growth, providing a comprehensive platform for progression to senior levels.

With numerous players achieving significant developmental milestones, the program is well-positioned for continued success in future campaigns.

HAROLD MATTHEWS CUP REPORT

The 2025 Canterbury-Bankstown Bulldogs Harold Matthews Cup campaign served as a valuable developmental experience for our under-17s squad, who concluded the season in 14th position under the guidance of newly appointed Head Coach Mark O'Meley.

Despite joining the program just one week prior to season commencement, the former 2004 Premiership winner successfully implemented a structured development framework that facilitated significant individual and collective growth throughout the playing group.

The season commenced positively with an impressive upset victory over the Canberra Raiders at Belconnen, featuring a standout performance from Captain Chinedu Udeh. This was followed by two narrow defeats to the Western Suburbs Magpies and Balmain Tigers prior to the Round 4 bye, demonstrating the team's competitive spirit despite the challenging circumstances.

Following a close loss to St George in Round 5 and subsequent defeats to finals-bound Sydney Roosters and Newcastle Knights, the squad produced a season highlight with a remarkable 24-22 victory over Cronulla-Sutherland at Sharks Stadium in Round 8.

Despite managing a significant injury toll throughout the season, the playing group demonstrated exceptional resilience and commitment that will serve them well moving forward.

Coach O'Meley noted that the players experienced the full spectrum of Rugby League competition, developing a crucial understanding of both competitive excellence and professional response to adversity.

Significantly for the Club's future development pathways, several players earned promotion to the SG Ball Cup squad during the season, validating the effectiveness of our Academy system progression protocols.

RON MASSEY CUP REPORT

The 2025 Ron Massey Cup season represented the third year of Canterbury-Bankstown Bulldogs' involvement in this crucial overage competition, with plenty of proud efforts displayed by the fledgling team.

As a feeder grade to our Knock-On Effect New South Wales Cup squad and a vital testing ground for accelerated player development, the Ron Massey Cup continues to serve an important strategic purpose within our Pathways program.

This competition serves a specific and vital purpose within our Pathways structure: providing young players with early exposure to men's football in a professional competition environment.

Beyond the physical challenge, the Ron Massey Cup provides our young Bulldogs with exposure to professional competition standards, including a higher quality of refereeing standards as well as a match review committee processes and accountability as well as the week-to-week preparations for the open-age men's competition.

These elements combine to create a development environment that bridges the gap between junior representative football and the demands of NSW Cup and ultimately, the NRL.

The competitiveness demonstrated in several narrow losses - including the 38-34 thriller against the Ryde-Eastwood Hawks in Round 5 and our three victories throughout the season - showcased the fighting spirit being developed in our young men.

Similarly, our dual wins against Hills Bulls (Rounds 4 and 12) and Blacktown Workers (Round 15) demonstrated that when our systems were executed and our preparation was thorough, our young Bulldogs could match it with experienced men's teams. These victories provided crucial confidence and validated the development work being done throughout the week.

As we complete our third year in the Ron Massey Cup competition, we remain confident in the strategic value this program provides our Pathways system. The lessons learned, the physical development gained, and the mental resilience built through competing in this environment will continue to produce benefits as these young Bulldogs progress through our system.

NRLW REPORT

While results wavered throughout their inaugural campaign, the Club's first NRLW side experienced a season of invaluable highs and lows, while displaying the Bulldogs spirit throughout.

Under the guidance of Brayden Wiliame as Head Coach and the leadership of Co-Captains Tayla Preston and Angelina Teakaraanga-Katoa, the side kicked off their season in emphatic fashion with a wholehearted 26-12 victory against the highly-favoured Newcastle Knights.

Moana Courtenay created history by crossing for the side's very first try, bagging a double in the process, while the historic night doubled up as the Club's first double-header alongside the NRL side at Accor Stadium.

After outlasting a fast-finishing Wests Tigers outfit in Round 2, the side faced their first taste of adversity in heart-breaking fashion in Round 3 against the Dragons. The middle third of the season proved to be full of tough lessons and character building for the fledgling squad, with a stretch of seven weeks without victory barring a hard-fought 14-all draw against the Gold Coast Titans in Magic Round.

However, arguably the side's best performance came against the finals-bound Sharks in their final home game in Round 10. In one of the upsets of the season, a gritty and determined performance saw the Bulldogs prevail 24-14, with a Captain's knock from Preston seeing the former Shark score the match-winning try.

Andie Robinson was crowned the very first NRLW Player of the Year for her outstanding form at fullback in her first full season upon return from an ACL injury, while Preston (Members Player of the Year), Teakaraanga-Katoa (Coaches Award), Ashleigh Quinlan (Players' Player), and Courtenay (Rookie of the Year) also took home awards at the Dr George Peponis Medal.

After making her debut in Round 4, Elizabeth MacGregor finished the season as the side's top try scorer with seven tries from eight matches, including three doubles.

On the point-scoring front, Preston displayed her sharpshooting abilities with 46 points from a try and 21 goals. Veteran forward Holli Wheeler reached the 40-match milestone.

Twelve players made their debut in the NRLW, including rugby convert trio, Adi Vani Buleki, Monica Tagoai and Courtenay as well as teenagers Simina Lokotui, Shaquaylah Mahakitau-Monschau, Paea Uilou, MacGregor and Pauline Suli-Ruka.

After laying out the foundations of their inaugural season with an emphasis on further development and building combinations, there is plenty of optimism for the Bulldogs heading into what will no doubt be an exciting 2026.

HARVEY NORMAN WOMEN'S PREMIERSHIP REPORT

The 2025 Harvey Norman Women's Premiership season had its fair share of challenges, opportunities and moments in its first year as a direct pathway to the NRLW competition.

With a development-first ethos, the season saw the Bulldogs finish in seventh position with five wins, showing a competitive spirit in each of their eleven matches. The side began with a large squad of 37 players, featuring a combination of Tarsha Gale Cup, Lisa Fiaola Cup and NRLW squad members.

In total, 41 players took the field during the season - the most in the competition - while the likes of Elizabeth MacGregor, Paea Uilou, Pauline Suli-Ruka and Hope Millard progressed to make their NRLW debuts after starring in the Club's Academy sides earlier in the year.

The season began in strong fashion with three wins and a loss in the opening month, however after rain forced a month-long training disruption, leading to a lack of consistency, a form slump ensued from Round 6 to Round 9 with just a single victory.

Round 10 proved to be a memorable afternoon at Hammondville Oval, with the side putting on one of their best performances of the season in a 32-16 victory over Wenworthville, running in six tries to three in their fifth and final victory of the season.

Despite the number of setbacks, there were a number of memorable stories to come from the competition. In her first year as Captain, Ambryn Murphy-Haua led the side from fullback, featuring in all 11 matches and taking out the Club's Player of the Year Award. Meanwhile, the likes of Faith Masina, Amirah El-Abdallah and Aliahana Fuimaono emerged as long-term prospects for the Club.

Heading into 2026, the Harvey Norman Women's Premiership will continue to act as a crucial stepping-stone between the Club's Junior Representative sides and the NRLW.

TARSHA GALE CUP REPORT

The Canterbury-Bankstown Bulldogs' Tarsha Gale Cup campaign, while ultimately falling short of Grand Final qualification, established the team as a dominant force throughout the 2025 season.

The campaign opened successfully with a determined victory over the Illawarra Steelers, followed by an impressive away win against the Newcastle Knights under the careful watch of Nik Wolfgramm.

However, the season trajectory was significantly impacted by a mounting injury toll, most notably the season-ending injury to Co-Captain Pauline Suli-Ruka, which proved to be a critical turning point.

Despite these challenges, the squad continued to demonstrate championship-level qualities throughout the season. The program's development success was highlighted by NRLW development contracts awarded to Lahnayah Daniel and Simina Lokotui, with the latter joining Elizabeth MacGregor and Suli-Ruka as NRLW debutants.

Although the campaign concluded disappointingly with a preliminary final defeat to Parramatta Eels, the experience gained along with player retention levels provide significant optimism for the 2026 season, with the majority of the playing group committed to returning in the Blue and White.

LISA FIAOLA CUP REPORT

The Lisa Fiaola Cup program delivered an outstanding 2025 campaign under first-year Head Coach Vanessa Foliaki, establishing early momentum through commitment to process-driven development and consistent high-performance standards.

The squad's dedication to systematic improvement was reflected in both impressive victory margins and a distinctive playing style characterised by determination, unity, and resilience.

The team's ability to overcome adversity, including significant injury challenges, became a defining characteristic that strengthened collective resolve throughout the season.

The achievement of Minor Premiership honours represented the culmination of consistent weekly excellence and demonstrated the squad's competitive quality and professional approach. This success was earned through sustained effort both in match performance and program recognition initiatives.

The Preliminary Final against Parramatta Eels showcased elite-level women's Rugby League, with both teams delivering an exceptional contest that highlighted the strength and quality of the competition. While the result was disappointing, the experience gained provides valuable perspective and motivation for future campaigns.

Foliaki's inaugural season as Head Coach delivered exceptional group dynamics, with player dedication, family support, and community engagement creating a memorable and successful year. This foundation positions the program strongly for continued development and future success.

JUNIOR LEAGUE REPORT

The Canterbury-Bankstown District Junior Rugby League (CBDJRL) celebrated its 104th season in 2025, recording remarkable growth and success across the district.

Thanks to the continued $100 registration subsidy from our major partner, Canterbury League Club (CLC), and the launch of the Future Bulldogs Program with the senior Club, participation rose from 3,600 in 2024 to almost 4,200 players in 2025, surpassing program goals. Team numbers also grew from 211 to 254. The Future Bulldogs Program, supported by ambassadors Josh Reynolds, Jacob Kiraz, Bailey Hayward, Latisha Smythe, and Angelina Teakaraanga-Katoa - all local juniors themselves - was instrumental in this growth, strengthening the connection between grassroots Rugby League and the elite game.

For the first time since 2011, the district ran internal U13–U16 boys competitions, with only U15 Division 1 sides competing in the Metro Combined competition. Our female game soared, with participation increasing by 84%, from 484 in 2024 to 889 in 2025. This growth was highlighted by the launch of new standalone competitions, including U12 Girls Tackle, U10 Girls Tag, U12 Girls Tag Silver, and U14 Girls Tag Silver.

The year also featured the successful Future Bulldogs Challenge Day, which showcased teams across multiple ages and included female participation, as well as the introduction of a new Men's Over 35 Tag competition, which proved to be a great success within our community. Despite several weather disruptions across Rounds 5, 6, 14 and 15, the season delivered strong junior development and memorable experiences for all involved.

Another highlight of the year was the return of the Chipping Norton Kangaroos, who proudly took the field again at their original home ground, Childs Park, for the first time since 2007. Their comeback has further strengthened the footprint of grassroots rugby league in our district.

Led by Paul Archer and Daniel Gardner, the Canterbury-Bankstown Referees Association once again rose to every challenge that came their way. From late ground changes to monster finals weekends, their professionalism and commitment ensured our competitions were played in the spirit of the game and deserve special recognition.

We also proudly congratulate local junior Jethro Rinakama on making his NRL debut in 2025, who joins a growing list of CBDJRL players who have progressed into the Bulldogs' Top 30 squad, including Jacob Kiraz, Bronson Xerri, Bailey Hayward, Kurtis Morrin, Lipoi Hopoi, and Jonathan Sua. Our inaugural NRLW squad also featured two local juniors who made their NRLW debuts in 2025 - Latisha Smythe and Pauline Suli-Ruka. With female participation continuing to surge across the district, we look forward to seeing even more local juniors follow in their footsteps in the years ahead.

The growth of 2025 reflects the tireless work of our volunteers, officials, referees, and staff, combined with the unwavering support of Canterbury League Club and the Bulldogs senior Club. Together, these partnerships ensured our 104th season was one of our strongest yet and set a powerful platform for 2026.

COMMERCIAL REVIEW

The 2025 season delivered exceptional commercial outcomes across every facet of the Canterbury-Bankstown Bulldogs business, marking a transformative year in the Club's history. From record-breaking partnerships and membership growth to unprecedented match day attendance and retail performance, the convergence of on-field success and enhanced fan experiences created momentum that positioned the Club for sustained commercial growth.

CORPORATE PARTNERSHIPS & BUSINESS ENGAGEMENT

The 2025 season saw the Bulldogs Partnerships program reach new heights, building on the momentum of 2024 while achieving multiple Club records. A landmark achievement came through the expansion of our strategic partnership base, with new partners joining our established partners to create an unprecedented level of collective investment in the Club. This convergence of fresh partnerships and loyal backers has fundamentally strengthened our commercial position and reinforced our collective vision for Bulldogs growth.

BULLDOGS IN BUSINESS EXCELLENCE

The Bulldogs in Business program experienced a breakthrough year in 2025, marking its most successful period to date with 67% year-on-year growth. This exceptional momentum highlights not only the strength of the program but also the clear demand for deeper business engagement through the Club.

Membership expanded significantly, with 2025 closing as a record-setting year. As of December 2025, 47 businesses have signed on for the 2026 season, signalling projected growth to over 100 members in the program for the first time. On top of that, two businesses committed as name partners, demonstrating the growing commercial value and credibility of the Bulldogs in Business community.

A significant milestone was achieved with the introduction of an entry-level partnership tier, a strategic initiative designed to dismantle existing barriers to entry and facilitate broader participation across the business community. This expansion has democratised access to the program, enabling organisations of all scales to engage with the Bulldogs ecosystem and participate in our networking initiatives. Throughout 2025, the program facilitated over 220 valuable connections, translating into substantial business value for our members and demonstrating the tangible commercial outcomes of inclusive community engagement.

Member participation in premium experiences, including high-value travel packages, and strong demand for hospitality, reinforced the program's commercial impact. The annual business luncheon attracted over 300 guests, representing a 166% increase from the previous year. This event has quickly become the marquee occasion of the program, cementing its reputation as a must-attend experience for the wider business community.

Members also generated strong returns through philanthropic initiatives, including premium table sales and more than $20,000 in auction revenue, while also opening doors to new high-value prospects. The program's relationship-first approach delivered strong outcomes, with multiple businesses recognising the strategic value of deeper Club partnerships and choosing to expand their involvement substantially year-on-year. Collectively, these upgrades contributed significant new revenue streams, particularly in NRLW partnerships, totaling approximately $150,000 in additional revenue.

In 2026, the program is budgeted to deliver at least $200,000 in new revenue through innovative assets and expanded commercial opportunities, with a number of engaging events scheduled ahead of another exciting year.

CORPORATE HOSPITALITY EXCELLENCE

The Corporate Hospitality and Events Program has experienced transformative growth in 2025. The appetite for premium corporate experiences has surged across every tier of our offerings, with attendance and engagement metrics reaching record levels. This exceptional uptake reflects not only the strength of the Bulldogs brand but also our team's dedication to crafting memorable experiences that resonate with our corporate partners and their guests.

PARTNERSHIP ACKNOWLEDGMENT

We express profound appreciation to our diverse portfolio of partners, both those who have stood with us through multiple seasons and those who embraced the Bulldogs family in 2025. We particularly celebrate our NRL Apparel Partners, Laundy Hotels, Wattyl, Future Form, KFC, O'Neills, Young Academics, M&J Chickens, CPE and Supporting Disabilities Australia, as well as MTC, Jaycar, and again, Wattyl, who committed to the front of Jersey in our inaugural NRLW year. Your belief in our Club and consistent support fuel our continued success and innovation within the commercial space.

Finally, we acknowledge the instrumental contributions of our Board Members, executive leadership, and playing and coaching staff. We extend recognition to Craig Manning, Lachlan Stewart, Ben Jones, Dean Lancaster and Andrew Towner for their exceptional dedication and collaborative effort throughout 2025. Your unwavering commitment to supporting and advancing the Corporate Program has been vital in delivering these outstanding outcomes and reinforcing the strength of our commercial operations.

MEMBERSHIP

In 2025, the Canterbury-Bankstown Bulldogs proudly continued to build on our momentum, achieving another landmark year for our Membership Program. With a renewed focus on strengthening our connection to the Bulldogs community, our campaign encouraged fans to unite behind their shared passion and loyalty. The response from our Members was exceptional, with 32,743 Members joining us for the season, including over 10,000 new or returning Members.

A historic milestone was reached with the launch of our inaugural NRLW Membership Program, which saw 464 Members show their support for our women's team in its foundation year. This commitment and energy has once again driven our Club forward, and we extend our sincere thanks for the unwavering support throughout 2025.

MEMBER ENGAGEMENT & EXPERIENCES

Throughout the 2025 season, we rolled out a range of initiatives designed to engage lifelong Members while attracting new supporters to the Bulldogs family. Building on the success of previous campaigns, we focused on delivering meaningful value and unprecedented access to players and inner-sanctum experiences. These offerings were strengthened by targeted retention and acquisition strategies, ensuring that both long-standing and returning Members felt recognised, supported and connected to the Club. Together, these efforts helped reinforce our community and elevate the overall Member experience in 2025.

This commitment to Member connection was showcased through a series of exclusive events, including our annual Members Christmas Party, Queensland Member Meet & Greet, Mid-Season Signing Session, Ultimate Member Open Training Session, Round 12 Signing Session, 30-Year Member Event and the 1995 Heritage Jersey Celebration. In addition, the introduction of the Swysh Fan Pass provided unprecedented behind-the-scenes access, further delivering on our promise to bring Members closer to the Club than ever before.

MEMBERS APPRECIATION ROUND

In Round 20, we proudly celebrated Members Appreciation Round, delivering a variety of activities to thank our loyal Members for their unwavering support. The match featured a vibrant Members Fun Fair, seat upgrades, exclusive partner offers, an increased Team Store discount, personalised player phone calls and a thrilling Half-Time Race Challenge. In the week leading up to the game, we extended these celebrations across all our digital platforms, sharing exclusive content and competitions to ensure Members from every state and country could join in and enjoy the benefits of this special occasion.

MILESTONE CELEBRATIONS

The Bulldogs would also like to congratulate and thank all of our Members who celebrated a milestone year in 2025, as well as the following recipients of the 18 Jersey and Junior Rookie Match ball delivery experience:

MATCH DAY & EVENTS

It was a year of milestones, new traditions, and unforgettable experiences for Bulldogs Members, fans and partners in 2025. From celebrating the Club's proud 90-year history to introducing the inaugural NRLW side, the very best of the Bulldogs spirit - both on and off the field - was showcased through Game Day and Events.

GAME DAY HIGHLIGHTS

Round 2 marked our first home game of the year - and our only NRL game at Belmore Sports Ground, where we continued the celebrations of the Club's 90-year anniversary. Match day sponsor KFC joined us as we welcomed newly inducted Hall of Fame legend Hazem El Masri back to Belmore for a special day in Bulldogs history.

We celebrated Multicultural Round in spectacular fashion with the Round 5 game day experience at Accor Stadium featuring 59 on-field performers, a pre-game hymn sung by a Fijian choir and led by Viliame Kikau, Lebanese drummers in the guard of honour and a vibrant night market of international food offerings in partnership with VenuesNSW. The evening was topped off with a 20-0 win over the Newcastle Knights in what was also Kurt Mann's 200th NRL appearance.

The annual Good Friday clash against the Rabbitohs was a significant highlight of the season with a record 65,305 fans in attendance to watch the Bulldogs extend their streak to six-straight wins to start the season. It was one of the largest crowds in the Club's history and set a new NRL record for a regular season match. With Supporting Disabilities Australia proudly supporting as our match day partner, a half-time kicking challenge raised $1,000 for the Cystic Fibrosis Foundation.
Round 11 against the Roosters saw a stirring tribute to the Club's 90-year legacy, with former Bulldogs Captains honoured in a moving pre-game light show and on-field presentation. Legends including Dr. George Peponis, Chris Anderson, Terry Lamb, Steve Price, Michael Ennis, James Graham and Josh Jackson were among those acknowledged.

The annual King's Birthday clash in Round 14 was also one to remember with the inaugural NRLW team introduced on the field pre-game. Carroll & O'Dea Lawyers supported as match day partners, while some lucky fans were treated to a 'King for a Day' fan experience. The fixture drew in another strong crowd with 59,878 fans on deck to watch mid-season recruit Lachlan Galvin make his Bulldogs debut - and score the match-sealing try - in a thrilling 30-12 win over the Eels.

A new chapter in the Club's proud history was officially kicked off on Friday, 4 July when the Bulldogs' NRLW team played their first game - a 26-12 win over the Knights - before the NRL team took on the Broncos at Accor Stadium. Our match day sponsor for this historic double-header was Wattyl, who entertained fans with a thrilling 100m LED dash at half time.

Members were the focus in Round 20 as both NRL and NRLW teams faced the Dragons in our Members Appreciation Round. A family fun fair at Accor Stadium added a new dimension to the day, while the NRLW squad held a signing session during half time of the men's fixture.

The newly built Allianz Stadium became our home away from home in Round 21 when the Bulldogs hosted the Manly Sea Eagles in honour of the 30-year anniversary of the 1995 Premiership. Thirteen players from the Grand Final team reunited for the game and were invited onto the field one by one before doing a lap of honour. The half-time entertainment was just as nostalgic with the 1995 cheerleading squad also reuniting to perform alongside the 2025 Sapphires. Our 30-year Members were also recognised with a special game day function where they got to meet and mingle with the 1995 players.

Indigenous Round was celebrated in Round 23 with an NRL and NRLW double-header against the Warriors. Despite the rain, fans were treated to powerful pre-game performances from both Māori and First Nations Peoples before a spectacular light show, which added a striking visual element to a culturally significant evening.

The season finale in Round 27 was a true celebration, with Australian rock icons Wolfmother performing live pre-game and playing the team's run-out song 'Joker and the Thief', capping off a year where game day entertainment and activations reached new heights.

Throughout the season, game day evolved into a more interactive, energetic and fan-first experience. From changing the team run-out song to developing new pre-game and half-time activations, the Bulldogs created match days that were as memorable as the football itself.

An additional highlight of the year was the stand-alone NRLW match held at Belmore Sports Ground on Saturday, 23 August. The crowd was treated to a remarkable 'dance spectacular' at halftime, with 1,700 children from local dance studios performing on the field in a showcase of community talent and pride. The event embodied the Club's commitment to community engagement, celebration of local culture and spotlighting the new NRLW side in a marquee stand-alone fixture.

CLUB EVENTS

Beyond game day, 2025 featured a calendar of major events that strengthened the Bulldogs' community and corporate connections.

The year began in spectacular fashion with the 90 Year Gala at Sydney Town Hall, attended by more than 800 guests. The event unveiled the inaugural NRLW squad, introduced the 2025 NRL team, and inducted Hazem El Masri, John Greaves, and Steve Folkes into the Bulldogs Hall of Fame.

A series of corporate events including the annual Golf Day and Race Day proved as popular as ever, providing valued opportunities for partners, members, and supporters to connect with the Club.

The season concluded with the prestigious Dr. George Peponis Medal Night, held at White Bay Cruise Terminal. With 777 guests in attendance, the night celebrated the year's outstanding performers, with Andie Robinson named NRLW Player of the Year and Stephen Crichton crowned the Dr. George Peponis Player of the Year.

Overall, total home crowd attendance for 2025 reached 368,258 - a significant increase from 250,181 in 2024. This growth translated to an average home crowd of 30,688, up from 20,848 the previous year, reflecting both the increasing excitement around the team and the success of enhanced game day experiences.

RETAIL

The Bulldogs retail program delivered an outstanding year in 2025, finishing 62% above budget in revenue and 60% above budget in profit, marking the strongest financial result in our retail history.

This performance reflects significant year-on-year growth, strong fan demand and a more coordinated approach across the Consumer team. Game day uplifts, major product launches and strengthened operations all contributed to the result, with retail continuing to play a central role in the Club's commercial success.

90TH ANNIVERSARY COMMEMORATIVE RANGE

A major highlight of the year was the celebration of the Club's 90th anniversary. Retail played a central role in bringing this milestone to life through a full range of commemorative merchandise, including 90th anniversary footballs, lanyards, game day flags, can coolers, key rings, mugs and a premium anniversary jacket and polo. The hero product - the 1935 Commemorative Jersey - sold out across multiple drops, and the premium collector's edition sold out in minutes, reflecting the intense demand for limited, heritage-driven pieces. The wider commemorative range achieved strong sell-through across the season and became a defining feature of our 90th year celebrations.

MERCHANDISE PERFORMANCE

Fan appetite for Bulldogs merchandise continued to grow, reflected in significant unit volumes across key categories. Across all channels, the Club sold 20,892 jerseys, 12,745 headwear items and 8,617 jumpers and jackets, supported by ongoing demand for accessories, collectables and premium products.

Game day remained a major commercial driver, delivering several peak trading moments throughout the season. Round 2 at Belmore set a record for the highest single-day Team Store result, with strong attendance and enhanced match-day activations contributing to this outcome.

OPERATIONAL STRENGTHENING

To support rising demand, the Retail team strengthened its operational capability by welcoming six new casual staff and one additional full-time resource. These additions improved coverage across store operations, stock flow, customer service and game day execution.

2026 OUTLOOK

With strong momentum carrying into the new year, the retail program now shifts its focus to the Club's rebrand and the rollout of new 2026 merchandise ranges. The Team Store refit is underway, and preparations for the full brand transition continue to track well. The upcoming Las Vegas range, paired with refreshed apparel and a broader retail assortment, positions the Club for another year of growth. With an elevated in-store experience, strengthened operations and sustained fan demand, the Bulldogs retail program is well placed to deliver another successful year in 2026.

LOOKING AHEAD

The 2025 season has established unprecedented commercial momentum across every facet of the Club. The strength of our partnerships, the passion of our Members, the dedication of our commercial team and the unwavering support of our fans have created a powerful foundation for continued growth. As we look toward 2026 and beyond, we remain committed to delivering exceptional experiences, building meaningful connections and driving the commercial success that enables our Club to compete at the highest level both on and off the field.

WELLBEING, CAREERS AND EDUCATION

The 2025 season marked a defining year for the Bulldogs, highlighted by the launch of our inaugural NRLW program and a strengthened commitment to holistic player development. Our approach continues to support the whole person - not just the athlete - ensuring every player is equipped with the tools, resources and connections they need to thrive both on and off the field.

INDIVIDUAL WELLBEING SUPPORT

This year saw the successful implementation of individually tailored wellbeing plans across both our NRL and NRLW squads. Through conversations around a players' day to day stresses and pressures, conflicting demands and personal situations, we gained valuable insights into player mental health and wellbeing, enabling us to provide targeted support where needed most. Players also engaged in identifying and developing their character strengths, ensuring personal growth complemented professional performance.

EDUCATION & DEVELOPMENT OPPORTUNITIES

Our commitment to preparing players for life beyond football has never been stronger, with record participation across educational programs and workshops.

SKILLS DEVELOPMENT & ACADEMIC EXCELLENCE

This season, players across our NRL, NRLW and Academy programs actively pursued formal education and industry-specific training. Six players completed their Real Estate Assistant Agent certification at Belmore Sports Ground, while over a dozen NRL and NRLW players earned their Diploma and Certificate IV in Community Services. Approximately 24 players are now working in meaningful community roles as teacher aides, disability support workers and youth workers. NRLW players completed multiple short courses including First Aid, White Card, Forklift Training and RSA, made possible through club sponsor Licences 4 Work, who contributed approximately $10,000 in training and education.

We are immensely proud of our players' academic achievements. Elizabeth MacGregor was named a finalist for the NRLW Young Achiever Award at the League Ahead Awards while studying her Bachelor of Primary Teaching. Blake Wilson was recognised as a finalist in the NRL Academic Team of the Year after completing his Recreational Pilot licence. Jacob Preston earned a Vice Chancellor's Blues Award while studying Criminology and Criminal Justice at UNSW, Jethro Rinakama pursued his Bachelor of Engineering (Honours) at Macquarie University, and Joseph O'Neill graduated with his Bachelor's degree in Exercise and Sport Science.

BUSINESS & CAREER DEVELOPMENT

Our new 'Be Your Own Boss' workshops, delivered in partnership with MTC Future Ready, equipped players with essential entrepreneurial skills. Career workshops were also delivered to our Harold Matthews, SG Ball, Lisa Fiaola and Tarsha Gale squads, with Education Ambassadors Jacob Preston and Blake Wilson sharing their personal stories to inspire our next generation.

Throughout the year, players participated in targeted professional development including Media Training, Sports Integrity presentations, Financial Literacy with Playa Power, addiction awareness, mental health literacy, nutrition foundations and women's health sessions, strengthening player confidence and readiness for the demands of professional sport and beyond.

CELEBRATING FAMILY, CULTURE & CONNECTION

This year's cultural celebrations highlighted the rich diversity that defines the Bulldogs Family.

MULTICULTURAL ROUND & PACIFIC LANGUAGE WEEK

Our Multicultural Round launch brought together the entire Bulldogs staff and Canterbury League Club colleagues for a vibrant morning tea celebration. Staff dressed proudly in their cultural attire and shared food from their countries of origin, creating one of our most successful initiatives of the year. Our NRLW players led powerful celebrations of Pacific Language Week, with team meetings conducted in Samoan, where players taught teammates traditional practices and organised cultural feasts during media day.

INAUGURAL PARENTS APPRECIATION ROUND

The introduction of Parents Appreciation Round stands as a highlight of 2025. Parents travelled from the Gold Coast, Brisbane, Sunshine Coast, New Zealand and Fiji for an unforgettable weekend. The celebration included parents attending the Captain's Run at Accor Stadium, watching their child train and taking a behind-the-scenes venue tour, followed by a special dinner at The Locker Room where Head Coach Cameron Ciraldo shared his vision for the Club.

On game day against the Rabbitohs, parents formed a guard of honour as players ran onto the field. After the match, parents selected the Man of the Match, with Dave, father of Max King, presenting his son's jersey and delivering a moving acceptance speech. The feedback from parents was overwhelmingly positive and deeply meaningful for our entire Bulldogs family.

LOOKING AHEAD

The 2025 season has been one of meaningful growth and achievement. Through individualised wellbeing support, comprehensive education programs, academic excellence and powerful cultural celebrations, we have strengthened the foundations of what it means to be a Bulldog. As we move forward, we remain committed to ensuring every player feels supported, valued and connected in their career and in their life beyond football.

BULLDOGS IN THE COMMUNITY

In 2025, the Bulldogs continued to strengthen their connection with the community through three key pillars - participation, education and charity partnerships. Across the year, the Club delivered a diverse range of programs and initiatives that inspired inclusion, supported learning and created meaningful impact across the Canterbury-Bankstown region and beyond.

YOUTH DEVELOPMENT & EDUCATION

The launch of the Game-Changers program marked one of the Club's most significant community milestones of the year. Designed to equip high school students with real-life skills beyond the classroom, the program covered six key learning areas, including mental and physical health, leadership, road safety, career planning and financial literacy. Delivered across six schools with exceptional feedback from students, teachers and local leaders, the program's early success was highlighted by improved engagement and attendance - particularly at Punchbowl Boys High School, where the Bulldogs' involvement helped drive a positive cultural shift in learning outcomes. The Club's investment in youth development also extended through its annual School Blitz, with NRL players visiting 22 local schools to inspire the next generation of Bulldogs fans and players.

INCLUSION & ACCESSIBILITY

The Bulldogs proudly delivered the first Try Together All Abilities Clinic - a free, inclusive rugby league experience designed to remove barriers and create accessible sporting opportunities for people of all abilities. The inaugural clinic brought together participants, families and support organisations for a day of connection and fun, with plans now underway to expand the program in 2026. The Club also celebrated the success of its Wheelchair Rugby League team, who reached the NSWRL Plate Grand Final in a season that showcased courage, teamwork and community spirit.

CULTURAL CELEBRATION & COMMUNITY UNITY

The Club continued to play an active role in celebrating and uniting the diverse communities that make up Canterbury-Bankstown. The Fourth Annual Iftar Dinner at Belmore Sports Ground brought together more than 600 guests - the largest attendance to date - in a powerful celebration of faith, inclusion and togetherness.

In partnership with Young Academics Early Learning Centre, the Club strengthened its connection to cultural education, with players participating in NAIDOC Week and Book Week celebrations. The Bulldogs' community outreach also extended through Blue & White Week, a joint celebration with Canterbury-Bankstown Council and the Chamber of Commerce, and via its continued support for the Mayor's Lights Out Sleepout at Belmore Sports Ground which raises awareness and funds for homelessness.

CHARITY PARTNERSHIPS

The Club's charity partnerships continued to drive awareness and create positive social change. A major highlight was the Bulldogs' partnership with RSPCA NSW, uniting two organisations with a shared passion for care and community. Through this collaboration, players and staff helped promote animal adoption, responsible pet ownership and support for vulnerable pet owners, with initiatives such as Rescue, Rehome, and Bulldogs giving new life to animals in need.

The Bulldogs also strengthened their ongoing partnership with Deadly Choices, encouraging Aboriginal and Torres Strait Islander communities to prioritise their health. More than 3,000 limited-edition Bulldogs Deadly Choices shirts were distributed to community members who completed a 715 Health Check, demonstrating the program's success in promoting preventative health and cultural pride.

The Club was also proud to see Josh Curran recognised as a 2025 Ken Stephen Medal finalist, honouring his outstanding service to the community. A proud Indigenous man, Curran has worked tirelessly to support youth engagement and social inclusion through initiatives including Deadly Choices, RSPCA NSW and the Bulldogs School Blitz program. His nomination reflects the spirit of leadership and compassion that underpins the Bulldogs' community work.

Together, these initiatives demonstrate the Bulldogs' unwavering commitment to using the power of sport to unite, inspire and make a lasting difference in the lives of others.

1 Reporting entity

Canterbury Bankstown Bulldogs Rugby League Club Limited (the "Company") is a company incorporated and domiciled in Australia. The consolidated financial statements of the Company as at and for the year ended 31 October 2025 comprise the Company and its controlled entities (together referred to as the 'Consolidated entity' and individually as 'controlled entities').

The Company is a Company limited by guarantee and without share capital. In accordance with the Constitution of the Company, every member of the Company undertakes to contribute an amount limited to $10 per member in the event of the winding up of the Company during the time that he or she is a member or within one year thereafter.

The Consolidated entity is a not-for-profit entity and is primarily involved in the operation of registered clubs and the promotion of rugby league.

2 Basis of preparation

(a) Statement of compliance

These consolidated financial statements are general purpose financial statements for distribution to the members and for the purpose of fulfilling the requirements of the Corporations Act 2001. They have been prepared in accordance with Australian Accounting Standards - Simplified Disclosures made by the Australian Accounting Standards Board and the Corporations Act 2001.

ASIC Class Order 10/654 Inclusion of parent entity financial statements in financial reports has been applied to permit the inclusion of parent entity financial statements in this consolidated financial report.

These consolidated financial statements were authorised for issue by the Company's Board of Directors as of the date of the Director's declaration.

(b) Basis of measurement

These consolidated financial statements have been prepared on the historical cost basis, except for investment property which is measured at fair value.

(c) Functional and presentation currency

These consolidated financial statements are presented in Australian dollars, which is also the Consolidated entity's functional currency.

(d) Use of estimates and judgements

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment within the next financial year are included in the following notes:

- Note 11 Investment property
- Note 13 Property, plant and equipment
- Note 15 Intangible assets
- Note 16 Trade and other payables
- Note 20 Leases
- Note 22 Contingent assets and contingent liabilities

(e) Going concern

The financial statements of the Company and its controlled entities have been prepared on the going concern basis of accounting, which assumes the continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business.

2 Basis of preparation (continued)

(e) Going concern (continued)
(i) Company
The Company has reported a working capital deficiency of $6,220,499 (2024: deficiency of $5,598,889), and positive net assets position of $2,307,425 (2024: negative net assets position of $81,933), net cash inflows from operating activities of $1,736,473 (2024: $830,184) and profit after tax of $2,389,418 (2024: $1,841,813) as at 31 October 2025. Notwithstanding the above, the Directors believe the going concern assumption is appropriate given:

- The subsidiary entity - Canterbury League Club Limited has committed grant funding to the Company for the year ending 31 October 2026 of $6,400,000.
- The Company has an unutilised overdraft facility of $1,500,000 available from Commonwealth Bank of Australia; and
- In addition to the committed funding above, the subsidiary entity has committed to provide $10m in relation to the construction of the CoE and has also undertaken to continue to provide such financial and other support that the Directors determine, is within its capacity and that is necessary (including grants or loans) to the Company for at least the next twelve months from the date of approval of the Company's financial statements for the year ended 31 October 2025 to enable the Company to continue to trade and to meet its financial obligations and be able to pay its debts as and when they become due.

After considering the above, the Directors consider that the Company will be able to continue to fulfil all obligations as and when they fall due for the foreseeable future, being at least one year from the date of approval of these financial statements, and accordingly, that the Company's financial statements should be prepared on a going concern basis.

The Directors have prepared the cash flow forecasts for the 13 months post year end date of 31 October 2025 (1 November 2025 to 31 November 2026) and are comfortable that the controlled entities will be able to meet its financial obligations as and when they fall due.

Accordingly, the Directors have prepared the financial report on a going concern basis in the belief that the controlled entities will realise its assets and settle its liabilities and commitments in the normal course of business and for at least the amounts stated in the financial report.

3 Material accounting policies

Changes in material accounting policies
A number of new standards are effective for annual periods beginning after 1 November 2024 and earlier application is permitted, however the Group has not early adopted the new or amended standards in preparing these financial statements.

The new standards are not expected to have a material impact on the Group's financial statements.

The accounting policies set out below have been applied consistently to all periods presented in these consolidated financial statements, except for the adoption of new accounting standards.

(a) Basis of consolidation
(i) Subsidiaries
Subsidiaries are entities controlled by the Consolidated entity. Control exists when the Consolidated entity has the power to govern the financial and operating policies of an entity so as to obtain benefits from its activities. In assessing control, potential voting rights that currently are exercisable are taken into account. The financial statements of subsidiaries are included in the consolidated financial statements from the date that control commences until the date that control ceases. The accounting policies of subsidiaries have been changed when necessary to align them with the policies adopted by the Consolidated entity.

(ii) Transactions eliminated on consolidation
Intra-group balances, and any unrealised income and expenses arising from intra-group transactions, are eliminated in preparing the consolidated financial statements.

3 Material accounting policies (continued)

(a) Basis of consolidation (continued)

(iii) Amalgamation reserve

An amalgamation reserve in members' funds is utilised for amalgamations with other registered clubs. The amount presented is equal to the fair value of the net assets of the club acquired at the date of acquisition. The individual assets and liabilities acquired are presented in the consolidated statement of financial position. This policy is effective for amalgamations occurring after 1 November 2010.

(b) Financial instruments

(i) Recognition and derecognition

Financial assets and financial liabilities are recognised when the Consolidated entity becomes a party to the contractual provision of a financial instrument.

Financial assets are derecognised when the contractual rights to the cash flows from the financial assets expire, or when the financial asset and substantially all the risks and rewards are transferred.

A financial liability is derecognised when it is extinguished, discharged, cancelled or expires.

(ii) Classification and measurement of financial assets

Financial assets are classified according to their business model and the characteristics of their contractual cash flows. Except for those receivables that do not contain a significant financing component and are measured at the transaction price, all financial assets are initially measured at fair value adjusted for transactions costs (where applicable).

(iii) Subsequent measurement of financial assets

For the purpose of subsequent measurement, financial assets, other than those designated and effective as

- Financial assets at fair value through profit or loss (FVTPL);
- Financial assets at amortised cost;
- Debt instruments at fair value through other comprehensive income (FVTOCI); and
- Equity Instruments at FVTOCI.

Financial assets are not reclassified subsequent to their initial recognition unless the Consolidated entities change its business model for managing financial assets, in which case all affected financial assets are reclassified on the first day of the first reporting period following the change in the business model.

All income and expenses relating to financial assets that are recognised in profit or loss are presented within finance income and finance expenses, except for impairment of trade receivables which is presented within other expenses.

Financial assets with contractual cash flows representing solely payments of principal and interest and held within a business model of 'hold to collect' contractual cash flows are accounted for at amortised cost using the effective interest method.

Financial assets at amortised costs comprise of cash at bank and trade and other receivables. There are no financial assets classified under the FVPTL, debt instruments at FVTOCI and equity instruments at FVTOCI categories.

(iv) Classification and measurement of financial liabilities

Financial liabilities are initially measured at fair value, and, where applicable, adjusted for transaction costs unless the Consolidated entity designated a financial liability at fair value through profit or loss.

Subsequently, financial liabilities are measured at amortised cost using the effective interest method except for derivatives and financial liabilities designated at FVPL, which are carried subsequently at fair value with gains or losses recognised in profit or loss (other than derivative financial instruments that are designated and effective as hedging instruments).

3 Material accounting policies (continued)

(c) Property, plant and equipment

(i) Recognition and measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses.

Cost includes expenditure that is directly attributable to the acquisition of the asset. Purchased software that is integral to the functionality of the related equipment is capitalised as part of that equipment.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Any gains and losses on disposal of an item of property, plant and equipment (calculated as the difference between the net proceeds from disposal and the carrying amount of the item) is recognised in profit or loss.

(ii) Subsequent costs

Subsequent expenditure is capitalised only when it is probable that the future economic benefits associated with the expenditure will flow to the Consolidated entity. Ongoing repairs and maintenance are expensed as incurred.

(iii) Depreciation

Depreciation is calculated over the depreciable amount, which is the cost of an asset, or other amount substituted for cost, less its residual value.

Depreciation is recognised in profit or loss over the estimated useful lives of each part of an item of property, plant and equipment, since this most closely reflects the expected pattern of consumption of the future economic benefits embodied in the asset. Leased assets are depreciated over the shorter of the lease term and their useful lives unless it is reasonably certain that the Consolidated entity will obtain ownership by the end of the lease term. Land is not depreciated.

	Depreciation rates	Depreciation methods
Leasehold improvements	33.30%	Straight line
Land and Buildings*	2.50%	Straight line
Furniture and fittings, plant and equipment	10 - 40%	Diminishing value
Poker machines	20 - 40%	Diminishing value
Assets under lease/hire purchase	25%	Straight line

Depreciation methods, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

**Land is not depreciated*

(d) Intangible assets

Poker machine entitlements

Poker machine entitlements have infinite useful lives given they have no expiry date. They are measured at cost less accumulated impairment losses. Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is recognised in profit or loss as incurred. Poker machine entitlements have indefinite useful lives as they have no expiry date. Accordingly, such intangible assets are not amortised but are systematically tested for impairment at each reporting date.

(e) Investment property

Investment property is property held either to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purposes. Investment property is measured at cost on initial recognition and subsequently at fair value with any change therein recognised in profit or loss. Cost includes expenditure that is directly attributable to the acquisition of the investment property.

3 Material accounting policies (continued)

(e) investment property (continued)
When the use of a property changes such that it is reclassified as property, plant and equipment, its fair value at the date of reclassification becomes its cost for subsequent accounting.

(f) Leased assets
Leases in terms of which the Consolidated entity assumes substantially all the risks and rewards of ownership are classified as finance leases. Upon initial recognition the leased asset is measured at an amount equal to the lower of its fair value and the present value of the minimum lease payments. Subsequent to initial recognition, the asset is accounted for in accordance with the accounting policy applicable to that asset.

Other leases are classified as operating leases and the leased assets are not recognised in the Consolidated entity's statement of financial position.

(f) Inventories
Inventories are measured at the lower of cost and net realisable value. The cost of inventories is based on the first-in first-out principle, and includes expenditure incurred in acquiring the inventories and other costs incurred in bringing them to their existing location and condition.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

(g) Impairment
(i) Non-derivatives financial assets
The Consolidated entity recognises loss allowances for Expected credit losses (ECL) on financial assets measured at amortised cost.

The Consolidated entity measures loss allowances for cash at bank balances as 12-month ECL as credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECL, the Consolidated entity considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Consolidated entity's historical experience and informed credit assessment and including forward looking information.

The Consolidated entity considers cash balance to have low credit risk when its credit risk rating is equivalent to the globally understood definition of "investment grade". The Consolidated entity considers this to be Baa3 or a higher rating per Moody's or BBB- or higher per Standards and Poor's.

12-month ECLs are the portion of ECLs that result from default events that are possible within the 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

The maximum period considered when estimating ECLs is the maximum contractual period over which the Company is exposed to credit risk.

3 Material accounting policies (continued)

Measurement of ECLs
ECLs are a probability weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flow due to the entity in accordance with the contract and the cash flows that the Company expects to receive).

ECLs are discounted at the effective interest rate of the financial asset.

At each reporting date, the Consolidated entity assesses whether financial assets carried at amortised cost are credit impaired. A financial asset is 'credit impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Presentation of allowance for ECL in the statement of financial position
Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

Trade and other receivables
A provision for impairment of trade receivables is established when there is objective evidence that the Consolidated entity will not be able to collect all amounts due according to the original terms of the receivables. Provision is raised on a specific debtor as well as on a collective basis. Significant financial difficulties of the debtor, probability that the debtor will enter bankruptcy or financial reorganisation, and default or delinquency in payments are considered indicators that a specific debtor balance is impaired. The carrying amount of the asset is reduced through the use of an allowance account, and the amount of the loss is recognised in profit or loss. When a receivable is uncollectable, it is written off against the allowance for receivables. Subsequent recoveries of amounts previously written off are credited against profit or loss.

(ii) Non-financial assets
At each reporting date, the Consolidated entity reviews the carrying amounts of its non-financial assets (other than investment property, inventories and deferred tax assets) to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of asset of CGU is the greater of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risk specific to the asset or CGU.

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its recoverable amount.

Impairment losses are recognised in profit or loss. They are allocated to the carrying amounts of the assets in the CGU on a pro rata basis.

An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss has been recognised.

(h) Employee benefits
(i) Defined contribution plans
A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which services are rendered by employees.

(h) Employee benefits (continued)

(ii) Other long-term employee benefits

The Consolidated entity's net obligation in respect of long-term employee benefits other than defined benefit plans is the amount of future benefit that employees have earned in return for their service in the current and prior periods plus related on-costs; that benefit is discounted to determine its present value, and the fair value of any related assets is deducted. The discount rate is the yield at the reporting date on government bonds that have maturity dates approximating the terms of the Consolidated entity's obligations.

(iii) Short-term benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided.

(i) Provisions

A provision is recognised if, as a result of a past event, the Consolidated entity has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

The Consolidated entity operates a loyalty program where customers accumulate points for dollars spent. The provision represents the current estimate of future cash outflows that will result from future redemption of unredeemed points as at year end.

Make good provision

In accordance with the Consolidated entity's leases of premises, the Consolidated entity must restore leased premises to their original condition. Because of the long-term nature of the liability, the greatest uncertainty in estimating the provision is the costs that will ultimately be incurred.

The provision is the best estimate of the present value of the expenditure required to settle the make good obligation at the reporting date, based on current market conditions. Future restoration costs are reviewed annually and any changes are reflected in the present value of the make good provision at the end of the reporting period.

(j) Revenue

Provision of services

Revenue from the provision of services includes sponsorship and corporate hospitality, membership subscriptions, merchandise royalties and commissions. Revenue from the provision of services is recognised in the period over which the Consolidated entity satisfies its performance obligations or series of performance obligations to its customers. Revenue is recognised to the extent that recovery of the contract consideration is considered probable and the amount of revenue can be measured reliably. Revenue is deferred to the extent that the Group has not met its performance obligations to its customers. Revenue is recognised using the output method under the terms of each contractual arrangement with customers.

Gaming revenue

Revenue from gaming is recognised at a point-in-time being the net difference between gaming wins and losses for the day and is recognised at the close of business each day.

Food and beverage revenue

Food and beverage revenue is recognised at the point in time the goods are provided and payment is collected.

Function and other revenues

Function and other revenues are recognised at the point in time services are performed.

Commissions

When the Consolidated entity acts in the capacity of an agent rather than as the principal in a transaction, the revenue recognised is the net amount of commission made by the Consolidated entity.

Grant revenue

Grants are initially recognised as deferred income at fair value if there is reasonable assurance that the grants will be received, and that the Consolidated entity will satisfy the performance obligations associated with the grant. Grant revenue is recognised on a systematic basis over the period to which the grant relates.

3 Material accounting policies (continued)

(k) Finance income and finance costs
Finance income comprises interest income on cash and cash equivalents. Interest income is recognised as it accrues in profit or loss, using the effective interest method.

Finance costs comprise interest expense on loans and borrowings. Borrowing costs that are not directly attributable to the acquisition, construction or productions of a qualifying asset are recognised in profit or loss using the effective interest method.

(l) Taxation
(i) Company
The Company is exempt from income tax under Taxation Ruling 97/22 as the Company is regarded as being established for the encouragement of a game and sport.

(ii) Consolidated entity
a) Current tax
Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years.

b) Deferred tax
Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

The measurement of deferred tax reflects the tax consequences that could follow the manner in which the Consolidated entity expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted by the reporting date.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

A deferred tax asset is recognised for unused tax losses, tax credits and deductible temporary differences, to the extent that it is probable that future taxable profits will be available against which they can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

c) Tax exposure
In determining the amount of current and deferred tax the Consolidated entity takes into account the impact of uncertain tax positions and whether additional taxes and interest may be due. This assessment relies on estimates and assumptions and may involve a series of judgements about future events. New information may become available that causes the Consolidated entity to change its judgement regarding the adequacy of existing tax liabilities; such changes to tax liabilities will impact tax expense in the period that such a determination is made.

(m) Goods and services tax
Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the taxation authority. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated with the amount of GST included. The net amount of GST recoverable from, or payable to, the Australian Taxation Office (ATO) is included as a current asset or liability in the statement of financial position.

3 Material accounting policies (continued)

(m) Goods and services tax (continued)
Cash flows are included in the statement of cash flows on a gross basis. The GST components of cash flows arising from investing and financing activities which are recoverable from, or payable to, the ATO are classified as operating cash flows.

(n) Leases
At inception of a contract, the Consolidated entity assesses whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Consolidated entity assesses whether:

- the contract involves the use of an identified asset – this may be specified explicitly or implicitly, and should be physically distinct or represent substantially all of the capacity of a physically distinct asset. If the supplier has a substantive substitution right, then the asset is not identified;
- the Consolidated entity has the right to obtain substantially all of the economic benefits from use of the asset throughout the period of use; and
- the Consolidated entity has the right to direct the use of the asset. The Consolidated entity has this right when it has the decision-making rights that are most relevant to changing how and for what purpose the asset is used. In rare cases where the decision about how and for what purpose the asset is used is predetermined, the Consolidated entity has the right to direct the use of the asset if either:
    - the Consolidated entity has the right to operate the asset; or
    - the Consolidated entity designed the asset in a way that predetermines how and for what purpose it will be used.

At inception or on reassessment of a contract that contains a lease component, the Consolidated entity allocates the consideration in the contract to each lease component on the basis of their relative stand-alone prices.

For contracts entered into before, the Consolidated entity determined whether the arrangement was or contained a lease based on the assessment of whether:

- fulfilment of the arrangement was dependent on the use of a specific asset or assets; and
- the arrangement had conveyed a right to use the asset. An arrangement conveyed the right to use the asset if one of the following was met:
    - the purchaser had the ability or right to operate the asset while obtaining or controlling more than an insignificant amount of the output;
    - the purchaser had the ability or right to control physical access to the asset while obtaining or controlling more than an insignificant amount of the output; or
    - facts and circumstances indicated that it was remote that other parties would take more than an insignificant amount of the output, and the price per unit was neither fixed per unit of output nor equal to the current market price per unit of output.

(i) As a lessee
The Consolidated entity recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date and plus any initial direct costs incurred.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

3 Material accounting policies (continued)

(i) As a lessee (continued)
The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, and the Consolidated entity's incremental borrowing rate. Generally, the Consolidated entity uses its incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprise the following:
- fixed payments, including in-substance fixed payments;
- variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date; and
- lease payments in an optional renewal period if the Consolidated entity is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the Consolidated entity is reasonably certain not to terminate early.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Consolidated entity's estimate of the amount expected to be payable under a residual value guarantee, or if the Consolidated entity changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero. The Consolidated entity presents right-of-use assets and lease liabilities separately in the statement of financial position.

(ii) As a lessor
When the Consolidated entity acts as a lessor, it determines at lease inception whether each lease is a finance lease or an operating lease. To classify each lease, the Consolidated entity makes an overall assessment of whether the lease transfers substantially all of the risks and rewards incidental to ownership of the underlying asset. If this is the case, then the lease is a finance lease; if not, then it is an operating lease. As part of this assessment, the Consolidated entity considers certain indicators such as whether the lease is for the major part of the economic life of the asset.

The Consolidated entity recognises lease payments received under operating leases as income on a straight line basis over the lease term as part of "other revenue" in note 4(a).

The accounting policies applicable to the Consolidated entity as a lessor in the comparative period were not different from AASB 16.

4 (a) Revenue
The Group generates revenue primarily from the operation of catering, food and beverage and rugby league sport related activities and facilities.

In the following table, revenue is disaggregated by primary geographical market, major products and service lines and timing of revenue recognition.

Poker machine entitlements represent the Group's licence to operate gaming machines at their subsidiary - Canterbury League Club Limited premises. They are measured at cost less accumulated impairment losses. They have been tested for impairment losses through an analysis of fair value less cost of disposal and value in use. From this assessment no impairment losses were identified (2024: $nil).

Player registration costs represents the consideration paid and or payable for employing and registering a player. This is recognised as an identifiable non-monetary asset without physical substance in accordance with AASB 138 Intangible Assets. The asset is expected to bring future economic benefits and is controlled by the Club because the registering right enables the Company to restrict another Club's access to the economic benefits arising from the player's performance.

n. There have been other transactions between the Company and the subsidiary entity, such as purchases of merchandise and game tickets. All these transactions have been executed at commercial rates.

26 Fair value measurement recognised in the Statement of Financial Position

The fair value measurement disclosures use a three-tier value hierarchy that reflects the significance of the inputs used in measuring fair values. The fair value hierarchy is comprised of the following levels:

- Level 1 – fair values measured using quoted prices (unadjusted) in active markets for identical instruments;
- Level 2 – fair values measured using directly (i.e. as prices) or indirectly (i.e. derived from prices) observable inputs, other than quoted prices included in Level 1; and
- Level 3 – fair values measured using inputs that are not based on observable market data (unobservable inputs).

The fair value of investment property was determined by external, independent property valuers, having appropriate recognised professional qualifications and recent experience in the location and category of the property being valued. The fair value measurement for all of the investment properties has been categorised as a Level 2 fair value given the valuation methodology used by the valuer is the direct comparison approach.

Determination of tax residency
Section 295 (3A) of the Corporation Acts 2001 requires that the tax residency of each entity which is included in the Consolidated Entity Disclosure Statement (CEDS) be disclosed. In the context of an entity which was an Australian resident, "Australian resident" has the meaning provided in the Income Tax Assessment Act 1997. The determination of tax residency involves judgment as the determination of tax residency is highly fact dependent and there are currently several different interpretations that could be adopted, and which could give rise to a different conclusion on residency. In determining tax residency, the consolidated entity has applied the following interpretations:

Australian tax residency:
The consolidated entity has applied current legislation and judicial precedent, including having regard to the Commissioner of Taxation's public guidance in Tax Ruling TR 2018/5

To the Members of Canterbury Bankstown Bulldogs Rugby League Club Limited

Opinion

We have audited the **Financial Report** of Canterbury Bankstown Bulldogs Rugby League Club Limited (the Company) and its controlled entities (the Consolidated entities).

In our opinion, the accompanying Financial Report of the Company gives a true and fair view, including of the **Company's** and the **Consolidated entities** financial position as at 31 October 2025 and of its financial performance for the year then ended, in accordance with the Corporations Act 2001, in compliance with Australian Accounting Standards - Simplified Disclosures and the Corporations Regulations 2001.

The **Financial Report** comprises:

- Statements of financial position as at 31 October 2025
- Statement of profit or loss and other comprehensive income, Statements of changes in members' funds, and Statements of cash flows for the year then ended
- Consolidated entity disclosure statement and accompanying basis of preparation as at 31 October 2025
- Notes, including material accounting policies
- Directors' declaration.

The **Consolidated entities** consist of the Company and the entities it controlled at the year end or from time to time during the financial year.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the Financial Report section of our report.

We are independent of the Consolidated entities in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the APES 110 Code of Ethics for Professional Accountants (including Independence Standards) issued by the Accounting Professional & Ethical Standards Board Limited (the Code) that are relevant to audits of the financial report of public interest entities in Australia. We have fulfilled our other ethical responsibilities in accordance with these requirements.

Other information

Other Information is financial and non-financial information in Canterbury Bankstown Bulldogs Rugby League Club Limited's annual report which is provided in addition to the Financial Report and the Auditor's Report. The Directors are responsible for the Other Information.

Our opinion on the Financial Report does not cover the Other Information and, accordingly, we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the Financial Report, our responsibility is to read the Other Information. In doing so, we consider whether the Other Information is materially inconsistent with the Financial Report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

We are required to report if we conclude that there is a material misstatement of this Other Information, and based on the work we have performed on the Other Information that we obtained prior to the date of this Auditor's Report we have nothing to report

INDEPENDENT AUDITOR'S REPORT

Responsibilities of the Directors for the Financial Report
The Directors are responsible for:

- preparing the Financial Report in accordance with the Corporations Act 2001, including giving a true and fair view of the financial position and performance of the Company and the Consolidated entities, and in compliance with Australian Accounting Standards - Simplified Disclosure and the Corporations Regulations 2001
- implementing necessary internal control to enable the preparation of a Financial Report in accordance with the Corporations Act 2001, including giving a true and fair view of the financial position and performance of the Company and the Consolidated entities, and that is free from material misstatement, whether due to fraud or error
- assessing the Company and the Consolidated entities ability to continue as a going concern and whether the use of the going concern basis of accounting is appropriate. This includes disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless they either intend to liquidate the Company and the Consolidated entities or to cease operations or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the Financial Report
Our objective is:

- to obtain reasonable assurance about whether the Financial Report as a whole is free from material misstatement, whether due to fraud or error; and
- to issue an Auditor's Report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error. They are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Financial Report.

A further description of our responsibilities for the audit of the Financial Report is located at the Auditing and Assurance Standards Board website at: https://www.auasb.gov.au/media/apzlwn0y/ar3_2024.pdf

This description forms part of our Auditor's Report.

A list of apologies was shown on-screen, with Mr Driussi acknowledging Mr Keith Lotty, who was unable to attend due to ill health, and extending well wishes for his recovery.

Mr Driussi noted apologies for Head Coach Cameron Ciraldo and Captain Stephen Crichton, and directed the attention of the meeting to a pre-recorded video message that they had prepared for the Members.

AGENDA ITEM #1: ANNUAL REPORT

Mr Driussi tabled the 2024 Annual Report and noted that, in line with modern corporate governance practices, the formal proposing and seconding of motions for procedural matters such as the adoption of the Annual Report was no longer required.

No questions were raised.

The Annual Report was formally tabled.

AGENDA ITEM #2: ADDRESS BY THE CHAIR

Mr Driussi reflected on 2024 as a landmark year for the Bulldogs, highlighting:

- Return to finals football earlier than expected
- Standout moments including the King's Birthday match with 45,000 fans, Golden Point victories, away match win against the Broncos, and the electric atmosphere at Belmore Sports Ground
- Achievements beyond the NRL team:
    - Second consecutive Flowers Memorial Pennant as NSW Rugby League Club Champions
    - Harold Matthews Cup team as Minor Premiers
    - SG Ball Cup team as Runners-Up
    - Jersey Flegg Cup team crowned Premiers
- Strategic investment in junior development with Phil Gould AM, the Football Department, and the Pathways teams
- Entry into the NRLW competition as a pivotal milestone
- Commercial growth, including a 150% increase in corporate partnerships since 2021, Membership surpassing 25,000, doubled corporate hospitality sales, and a 500% increase in retail merchandise over five years
- Digital engagement with video views increased by 1,200% since 2021 (130 million views in 2024)
- Confirmation that the $50 million Centre of Excellence at Belmore will break ground later this year
- Acknowledgment of support from Canterbury League Club, the Arthur Laundy family, Board, Football Department, commercial team, and Members

MINUTES OF THE 90TH AGM

AGENDA ITEM #3: MINUTES OF PREVIOUS GENERAL MEETING

Mr Driussi tabled the Minutes from the previous Annual General Meeting, held on 18 February 2024.

No corrections or amendments were noted.

The Minutes were confirmed as a true and accurate record.

AGENDA ITEM #4: FINANCIAL STATEMENTS

The Financial Report, Directors' Report, and Auditors' Report for the financial year ending 31 October 2024 were tabled.

No questions were raised.

The Financial Reports were formally tabled.

AGENDA ITEM #5: AUDITORS

Mr Driussi confirmed that KPMG would continue as the Club's auditors in accordance with the provisions of the Corporations Act.

AGENDA ITEM #6: CHIEF EXECUTIVE REPORT

Mr Warburton reflected on the Club's transformation over four years, highlighting:

- Membership growth to nearly 30,000 (top four in Sydney), with retention increasing from 70% to 85%
- Doubled revenue since 2021 with 150+ corporate partnerships
- Increased match attendance, averaging 24,000 per home game
- Record-breaking merchandise success, including the highest-selling 2004 Heritage Jersey
- Digital expansion with social media approaching 1 million followers and projected 150 million video views in 2025
- Centre of Excellence progress with construction due to start in October 2025 and completion expected late 2026/early 2027

Looking ahead to 2025, he emphasised:

- 90th Anniversary Celebrations
- Breaking ground on the Centre of Excellence
- Launch of the Bulldogs NRLW team

AGENDA ITEM #7: GENERAL MANAGER OF FOOTBALL

Phil Gould AM addressed Members, highlighting:

- Appreciation for Canterbury League Club's financial and spiritual support
- Core pillars of the Bulldogs' football program (coaching, high-performance, medical support, player education, recruitment)
- Enhanced pathways system, with 21 out of 28 players selected for the upcoming trial match having graduated from the Club's pathways
- Academy Programs in Christchurch, Auckland, South-East Queensland, and Northern NSW
- Addressed media speculation on salary cap, revealing the Club operated nearly $700,000 under the salary cap in 2024
- Highlighted key signings including Sitili Tupouniua, Marcelo Montoya, Enari Tuala and Tom Amone for 2025 and Leo Thompson for 2026
- Urged Members to support proposed constitutional recommendations

MINUTES OF THE 90TH AGM

AGENDA #8: NOMINATIONS FOR LIFE MEMBERSHIP

Mr Driussi called to consider the recommendation by the Board that the honour of Life Membership be bestowed upon Mr Darren Smith and Mr James Graham.

Mr Driussi announced that the first nomination for Life Membership is Mr Darren Smith, and invited Mr Phillip Pellizzeri to speak to the nomination.

Mr Pellizzeri nominated Darren Smith (player #544), highlighting:

- Joined in 1990, played 192 club games (185 in first grade)
- Won Bulldogs' Player of the Year Award in his debut season
- Queensland State of Origin selection in 1992
- Returned to the Bulldogs in 1999 after a stint with the Brisbane Broncos
- Awarded Australian Sports Medal in 2000

The nomination was unanimously approved.

In his acceptance, Mr Smith expressed gratitude and reflected on his journey with the Bulldogs, noting his love for the Club's traditions and pride in wearing the Blue and White jersey.

Mr Driussi moved on to the next nomination for Life Membership, Mr James Graham. Mr Driussi invited Mr Peter McMahon to speak to the nomination.

Mr McMahon nominated James Graham, highlighting:

- 135 first-grade games (2012-2017)
- Led team to 2012 Grand Final appearance in debut season and 2014 Grand Final as Captain
- Represented England 51 times
- Continues as Club Ambassador through media work
- Active on player welfare subcommittee

The nomination was approved.

In his acceptance, Mr Graham expressed gratitude, recalled his arrival at the Club, and noted his excitement for the Club's future direction.

AGENDA ITEM #9: SPECIAL RESOLUTION – AMENDMENTS TO CONSTITUTION

Chairman Mr Adam Driussi introduced the next agenda item, outlining two proposed amendments to the Club's Constitution, both designed to ensure the Club's governance remains modern and effective.

Amendment 1 – Rule 31: Appointment of Additional Directors
The first amendment allows the Board to appoint up to two additional Directors to ensure an optimal mix of skills and expertise.

Mr Driussi explained that elections do not always result in a balanced Board, and this provision would allow for the appointment of individuals with key professional expertise (e.g., legal or financial) or to enhance diversity. He emphasised that this was purely a governance measure, dismissing concerns over ulterior motives.

The motion was put to a vote.

Motion carried.

Amendment 2 – Rule 43B: Increasing the Threshold to Requisition an EGM
The second amendment proposed raising the number of Members required to call an Extraordinary General Meeting (EGM) from 100 to 200, aligning with the Club's growing Membership base.

MINUTES OF THE 90TH AGM

Mr Driussi explained that while the 5% threshold under the Corporations Act remains unchanged, increasing the EGM threshold prevents destabilisation through frequent, low-threshold meetings while still allowing Members to hold the Board accountable.

The motion was put to a vote.

Motion carried.

Mr Driussi thanked Members for their participation and support, as well as Mr Anter Isaac and the Constitutional Reform Committee for their extensive efforts in reviewing these amendments.

With both constitutional amendments passed, the meeting proceeded to the next agenda item.

AGENDA ITEM #10: GENERAL BUSINESS

Mr Driussi invited Members to raise any questions. The following questions were raised:

1. Member: Alessandro Balbi (Member #706) – Use of Home Jerseys

Question:
"Why don't we always wear our home jersey at home games?"

Response:
The Club submits its' home jersey as the primary option for home games but ultimately, the NRL decides based on jersey clashes. The League prioritises light vs. dark jersey matchups, which sometimes forces the Bulldogs to wear alternate kits. The Club shares the frustration and will continue discussions with the NRL.

2. Member: Chris Quinnell (Member #253) – Membership Cards & Pricing

Question
"Will the Club bring back physical Membership cards?"

Response:
Physical cards were phased out due to redundancy, as digital methods now provide better efficiency. However, the Club will review this based on member feedback.

Question
"Membership seating prices increased by 11%—can a loyalty discount be considered?"

Response:
The Club acknowledges the impact of rising costs and actively works to keep Membership prices competitive. A loyalty rewards system is in development to recognise long-term Members, with further details to be announced in due course.

3. Member: Greg Raue (Member #1255) – Annual Report Distribution

Question:
"Can the Club mail the Annual Report to Members instead of just providing it digitally?"

Response:
Due to cost and environmental considerations, the Club emails the report in advance. If a Member does not receive it via email, they should check their spam folder or update their contact details with the Club. Printed copies are available upon request.

4. Member: John Lindsay (Member #405) – Salary Cap Management

Question:
"Previous regimes struggled with salary cap management. Are you confident the Club is now on top of it?"

MINUTES OF THE 90TH AGM

Response:
The Club has a disciplined approach to salary cap management, ensuring smart recruitment and strong development pathways. The focus is on long-term sustainability, with young talent progressing through the system to balance the cap. The Club is currently operating under the cap and in a strong position moving forward.

5. Member: Raymond Drury (Member #87) – Women's NRLW Team Update

Question:
"The men's team's key signings have been widely discussed, but what about the NRLW squad? Are there any top-tier players joining?"

Response:
The Club takes the NRLW program very seriously and is committed to building a highly competitive women's team. Major signings include Holli Wheeler, Tayla Preston, and Tegan Dymock, along with five players from last year's NRLW Grand Final teams. A formal NRLW team launch will take place later in the year.

6. Member: Janette Penman (Member #268) – Bus Transport for Members

Question:
"Last season, Members struggled to get seats on the bus service to games. Can this be improved?"

Response:
The Club is aware of increased demand for buses and will review capacity and scheduling to ensure better accessibility. The aim is to add more buses if needed and adjust the timing to allow Members to arrive earlier.

7. Member: Pasquale Vartuli (Member #339) – Returning to 'The Berries' Name

Question:
"As we approach our 100-year anniversary, can we consider reverting to the name 'The Berries'?"

Response:
The Club will consider historical tributes as part of the 100-year branding discussions.

MEETING CLOSE

Chairman Mr Adam Driussi thanked Members for their contributions and closed the meeting at 11:33 AM.

Members were invited to stay for refreshments and engage further with Club Executives and Board Members.
