# CHAIR'S REPORT

There is a real air of confidence around the Club at present. We have been methodically rebuilding the Club over the past two years and are excited about what lies ahead. Our aim is for sustained success now, next season and well into the future.

As we look back, we can truly say that we have experienced some of the highs and lows that this great sport can bring. Entering the year off the back of a disappointing 2021 season, we looked destined for a repeat result when at ten rounds in, we were sitting at the bottom of the ladder. But our unwavering faith in the senior leaders of our Club meant that despite the challenges, we were able to continue implementing our strategic plan and maintaining our vision.

I would like to take the opportunity to personally thank outgoing Football Club Board Members Jim Koutsouklakis and Adrian Turner for their valued contribution and commitment to the Club. Upon them stepping down in June 2022, we welcomed Adam Driussi and Paul Polly to our Football Club Board whom each bring a great mixture of skills and capabilities that compliment what is a strong, stable and unified board.

The signing of a host of quality players and Football, Pathways and Administration staff throughout the 2022 season has helped us to lay a solid foundation that I have no doubt will see us bolster our successes in 2023 and beyond. Whilst we celebrate these appointments, we also acknowledge the efforts of those who played a role in helping our Club over the past few years, and who have worked tirelessly to return the game to its' pre-COVID affected state.

On behalf of the entire Board of Directors, Management, and staff of the Canterbury-Bankstown Bulldogs, I would like to thank Trent Barrett for his effort and commitment during his time at the Club. I would also like to thank Mick Potter for his effort in helping steer our team in the right direction at the back end of 2022. I would also like to thank departed skipper Josh Jackson, who played 11 seasons of top-flight rugby league, captained the side for five seasons, and ran out on 241 occasions for the Bulldogs before announcing his retirement late last year. A loyal member of our Club, Josh will go down as one of the all-time greatest players to have represented the Canterbury-Bankstown Bulldogs and we thank him for his on-going service.

Under the wise football leadership of Phil Gould, Josh joins a host of Bulldogs alumni now working in an official capacity with the Bulldogs and we are thrilled to be able to surround our team with such distinguished Bulldogs mentors, who role model the values of our Club through both actions and legacy.

The team, now under the guidance of our new coach Cameron Ciraldo in 2023, will look to go from strength to strength and if pre-season is anything to go by, the attitude, commitment, and passion that our players have demonstrated means that there will be plenty to look forward to.

Finer moments of the year gone by include the upset victory against the Roosters in Round 8, a 34-4 stellar win over Parramatta in Round 14, and a toppling of the Tigers in Round 15. These games will provide inspiration to the attacking form that our team will look to carry forward into 2023.

Strong Rugby League World Cup performances from the flourishing combination of Matt Burton and Josh Addo-Carr for the Kangaroos, as well as our other international stars in Luke Thompson, Fa'amanu Brown and our young emerging juniors Jacob Kiraz, and Khaled Rajab speak to the calibre of talent that our side has only just begun to unearth. Marquee recruitments like Reed Mahoney and Viliame Kikau have only added strength and player depth to our side.

Further adding to this depth, the return of our NSW Cup team to play under the Bulldogs badge in 2022 saw some great talent emerge from the side. Eight of which enjoyed an elevation throughout the season to make their NRL debuts. Carrying this first-grade experience with them, the NSW Cup side battled through knock-out rounds to make the NSWRL grand final in its first year back. Beaten only by Penrith in an extremely competitive final, and despite injuries to some of our key players in the last few games, the never say die attitude of these players speaks volumes to the future of this Club.

As we continue to invest in expanding the Bulldogs Academy and as we welcome a return of our Harvey Norman Women's NSW Premiership side and an NRLW side bid, I am excited to see even more talented individuals coming through the ranks in the years ahead.

Whilst the Bulldogs Academy represents the future of our Club, there are a number of developments in the here and now that provide us with much to be excited about. This includes the newly formed partnership with the Western Clydesdales in Toowoomba that will see them field a QLD Cup side under the coaching of former Bulldogs and grand final winner, Jason Alchin. This new and exciting partnership will further bolster the Bulldogs football investment and commitment. With our own Bulldogs NSW Cup and Western Clydesdales QLD Cup squads in season 2023 and beyond, we continue our pathways partnership programmes on the NSW mid North Coast and Greater Northern regions, as well as our own local and proud pathways development across our 100-year+ CBDJRL district.

On the sponsorship front, we would like to thank the Laundry Hotel Group and family for their continued support which the Club greatly values. Their commitment to an incredible five-year term means that our Club has been provided

# CHAIR'S REPORT (CONTINUED)

with great stability and afforded resource to continue investing in our people and pathways. The new support of KFC and Future Form as well as ongoing long-term support from the likes of Young Academics, M&J Chickens, CPE, Bulldogs in Business members, and all our corporate partners, has set us up for a great season ahead. I would also like to personally thank our Canterbury League Club Chairman, Peter Winchester, together with the Board, Management and the staff of Canterbury League Club for their continued support.

A commercially strong 2023 draw features some great matchups and sees us welcoming a trial and two NRL home games back to our spiritual home at Belmore Sports Ground, a return to regional Queensland with our Bundaberg fixture, and an opportunity to own the space at Accor Stadium. While we look forward to embracing a new home ground and creating an even greater match-day experience, our vision has long been to see more of our match fixtures return to the home of the Bulldogs and I am pleased to confirm that we have secured Government funding for a new Centre of Excellence at our Belmore Sports Ground Headquarters.

The proposed new facility, albeit a long-term development project for the Club, will be an all-encompassing, community orientated, high-performance Centre that will be a major strength for the Club. Especially as we work to improve and deploy high-quality pathway systems for future champions of Rugby League, and to re-engage and strengthen our community outreach programs.

We have been extremely active in working towards building meaningful relationships and establishing ourselves as community leaders since welcoming Diane Langmack as our General Manager of Stakeholder Engagement. Members and community are the backbone of our Club and as we look to the upcoming season, we cannot wait to watch our blue and white army continue to grow and get behind our players and our Club.

There is a real sense of pride and optimism about being a Bulldog again and we thank our Members and fans for their loyalty and ongoing support. It never wavers and is what continues to make this Club special.

We are all looking forward to the start of the 2023 season and I look forward to seeing you all soon.

**John Khoury**  
Chair of Board of Directors

# NRL SEASON REPORT

After a significant upheaval of the playing roster, the Bulldogs entered the 2022 season with a goal to vastly improve on 2021.

The Bulldogs managed to open the season with a 6-4 win against North Queensland but hopes of a top eight finish were quickly dashed after six consecutive losses were endured thereafter. Just as the Club looked to be on the trajectory for a repeat wooden spoon season, a 16-12 upset victory over the Roosters in Round 8 provided a much-needed glimmer of hope for fans.

Two more losses thereafter saw the Club sitting at the bottom of the ladder, ten rounds in. Subsequently, Trent Barrett made the decision to step down from his position as Head Coach, with Mick Potter taking up the post on an interim basis to see the remainder of the season through. With Potter at the helm and implementing an entirely different coaching style from Round 11 onward, the Club started to gain some momentum again. Despite some high-score losses for the side early into his charge, it wasn't long before the team were notching up points again and giving fans something to cheer about.

Round 14 showcased just how good the teams' attack could be in the not-so-distant future, when they demolished the Parramatta Eels, 34-4. The following week saw them gain revenge on Wests Tigers, beating them 36-12. Three more victories

would follow in the 2022 season and looking ahead to 2023, there is plenty of reason to celebrate.

A number of players were elevated to the NRL side in the 2022 season, getting a taste of the game at the top level. Jacob Kiraz was among the standout performers of the season, making his debut and marking his potential as one of the fastest players in the game. Jake Averillo also showcased his potential brilliance in attack, and young gun Declan Casey demonstrated his resilience after a tough debut at the top level.

Several injuries throughout the season meant the team struggled to field a consistent side in 2022, the inconsistency and unfamiliarity ultimately showing in the result. 2023 however promises a new era under the stewardship of newly appointed Head Coach, Cameron Ciraldo. Bringing his experience from the 2023 premiership-winning side, the rookie coach will undoubtedly be keen to prove himself in the top spot.

Whilst Bulldogs 2022 top tackles performer Jeremy Marshall-King departed ahead of the 2023 season, NRL competition tackle leader Reed Mahoney has joined the squad alongside Viliame Kikau, Andrew Davey, Hayze Perham, Fa'amanu Brown and Ryan Sutton to reinforce the strength of the team for the season ahead.

# NSW CUP REPORT

The 2022 season saw the return of the Canterbury-Bankstown Bulldogs to the NSW Cup competition.

The first season back playing under the Bulldogs badge and in the iconic blue and white colours would prove to be a successful venture, with the team ending the season as the runners-up. Following a record 14 wins, the team finished the season in fourth place. A successful finals run earned a spot in the Grand Final, however, the side fell just short against the 2022 premiers Penrith Panthers, going down 29-22.

Regardless of the grand final loss, the players showed great effort and demonstrated a never give up attitude that is reflective of the values and culture of the Bulldogs.

There were many highlights to the season which commenced with the team starting out incredibly strong after their first month in the competition with four from four wins on the board.

The team depth was tested at Round 7 due to a COVID outbreak but we were able to call on seven Jersey Flegg players to step up and take to the field against the Mounties. Incredibly and in testament to the Club's development programs, the team was able to pick up a great win in this round, which was great exposure to a higher level of competition for the seven NSW Cup debutants.

At twelve weeks and halfway into the season, the team was sitting in 3rd position on the ladder. Over the next month, the team remained comfortably among the top five as they collected wins on all three games and enjoyed a bye round.

The run into the semi-finals saw the team take on three of the top five sides. Although understrength against the North Sydney Bears, players were returning for the final three games and offered strong performances, which gave the team confidence heading into the finals.

It was positive to see that during the finals, the team was playing their best football due to the trust, confidence, and communication that had been built during the season.

Week one of the finals series saw the best performance of the season when the side played the Parramatta Eels. Unfortunately, we lost captain Bailey Biondi-Odo to injury just seven minutes into the game. Despite this loss, the side stepped up to secure the win, 19-16.

Week two saw the team score 18 unanswered points in the second half against the North Sydney Bears, while week three saw strong kicking and catching performances from Brandon Wakeham and Jayden Okunbor, which would lead the team to the grand final over the Newtown Jets, 28-26.

The focus on the development of young talent was evident in the 2022 season with 12 of the 17 players selected in the Grand Final side aged 22 years or under. 16 Jersey Flegg players made their NSW Cup debut during the season, while seven players from the NSW Cup squad were able to shine and demonstrate their skills and talents, resulting in them making their NRL debuts. Congratulations to Jacob Kiraz, Declan Casey, Zach Dockar-Clay, Billy Tsirikas, Harrison Edwards, Joshua Stuckey, and Kurtis Morrin on achieving their first-grade debuts. The Club's focus on youth and talent development will certainly continue to help shape the Club moving forward.

A huge thank you to all staff involved across coaching and management for the 2022 NSW Cup side. All the hard work, effort, and dedication that has been poured into this team since its' return certainly helped lead them to such a successful season. While we fell just short, the care taken and knowledge shared with the players will no doubt prove invaluable for the year ahead and in their ongoing development throughout the 2023 season.

# JERSEY FLEGG REPORT

2022 was a year of 'what could have been' for the Canterbury-Bankstown Bulldogs Jersey Flegg side, who finished the season in 8th place on the ladder with 25 points – just five points behind 5th position.

In the extremely competitive season, close losses to the Melbourne Storm in Round 4, Newcastle Knights in Round 6 and Cronulla-Sutherland Sharks in Round 16 proved to be costly to the team's pursuit to play finals football. Of the 22 games played in the season, the side won ten, lost 11 and had one draw.

Despite the disappointment of falling out of finals contention, the season delivered much for the Bulldogs Club to be optimistic about. Defeats were met with close score lines and the team showed dominant playing form in standout performances against the Penrith Panthers in Round 5, Wests Tigers in Round 11 and Sydney Roosters in Round 21 – teams who all finished in the top five. A late run home with five straight wins also showed the potential that this side has in the not-so-distant future.

The Jersey Flegg side started the 2022 pre-season with a training squad of 17 players and were met with a number of challenges early on. Ten players outside of the 17 training on, started the pre-season alongside the NRL squad and while the training exposure would provide invaluable experience for those players, it did mean that the Jersey Flegg side was faced with a lack of numbers on a regular basis at training. Training had to be adapted to accommodate the lack of squad depth and some on-going disruptions as a result of COVID.

Numbers would improve drastically by the end of the season though, thanks to strong recruitment and a huge influx of numbers at the completion of the SG Ball

season. Several players joined the squad from other clubs and 19 players transitioned to Flegg training from SG Ball. 18 of those would go on to play in the seasons fixtures and eight remain eligible to play SG Ball again in 2023. The experience gained by those players will no doubt be beneficial to the Club and the individual as we move into a new season.

A further eight players were selected from the Harold Matthews side to join a hybrid elite development program, where they trained alongside Jersey Flegg throughout the week and played for local clubs on the weekend. The program was designed to expose the players to a more senior level of training and game day preparation.

With the season ending on such a positive note, with great player depth and development, the future looks to be bright for the Bulldogs Jersey Flegg side. A huge thank you to all the staff members involved with the team for the hard work and effort that was poured into helping the development of the players.

Jersey Flegg captain Bailey Hayward was a standout performer in 2022, playing an instrumental role every match that he played. Brandon Clarke was dynamic out of hooker and Lipoi Hopoi owned the middle, stepping up during important games.

A number of players also enjoyed exceptional seasons in 2022 with 12 of those making the transition to NSW Cup throughout the year. Congratulations to Eli Clarke, Bailey Hayward, Harry Hayes, Jack Todd, Josh Kalati, Khaled Rajab, Lipoi Hopoi, Mosese Pope, Sam Hughes, Bailey Cox, Epeli Sukanaivalu and Brandon Clarke who all made their debut at the second-grade level.

# SG BALL CUP REPORT

The Canterbury-Bankstown Bulldogs SG Ball Squad of 2022 began training in November 2021 with some exceptionally high expectations after what was accomplished in the year prior.

After a pre-season that was heavily impacted by COVID and rainfall, the boys were off to a great start to the competition. The squad remained undefeated at the end of Round 3 and some close results would see them finish the season in the 6th position, qualifying for the SG Ball finals series.

After beating the Balmain Tigers in week one of the finals series, the Bulldogs came up against a Sydney Roosters outfit that were too good on the day.

Despite finishing a week before the grand final, the season was definitely a success. 15 of the SG Ball squad progressed to play Jersey Flegg in the back half of the season which speaks volumes to the strong position that the Club is in moving forward.

To the Board and sponsors, we thank you for your support on a weekly basis. It is very rare that members of the Board, Executive and Corporate Partners attend Junior Representative games on a weekly basis, and

this strong showing of support demonstrates how much the Club values our pathways system.

To the members of staff who made the 2022 season an enjoyable one, we also thank you for your efforts and contributions. All requests that were made in support of making the SG Ball program successful and professional were answered, and this support played an integral part in what the team were able to achieve this year. The achievements would not have been possible without the help and guidance from all the staff.

We recognise the players for their role in shaping an unbelievable year for the SG Ball group. The team are an outstanding group of young men who deserve the recognition and we hope that in the near future we will see many of their names featuring in the NRL competition. We wish them all the best for the year ahead.

The Bulldogs club is a proud one with so much history and we have no doubt that in the near future, a core group from the SG Ball Squad of 2022 will feature in some further historic moments for the blue-and-white.

# HAROLD MATTHEWS CUP REPORT

The Canterbury-Bankstown Bulldogs Harold Matthews side entered the 2022 competition hopeful to enjoy a less disruptive season than the prior two years. But as we know, football seasons can often be unpredictable and 2022 was not to be any different.

Pre-season and the start of the competition was heavily impacted by unprecedented and heavy rainfall. Despite the wet weather, the squad showed their tenacity when they got off to a great start to the season to earn two wins from three games.

The season opener against the Rabbitohs was a highlight with the side taking a 24-8 win. Following a tough loss in Round 2, the Bulldogs fought to go up a second time in a tight 22-20 win over the Balmain Tigers. Unfortunately, the team would be unable to add to these wins in the remaining rounds of competition.

The 2022 season consisted of nine rounds with the Bulldogs team playing seven games and finishing in 13th position overall. The team enjoyed two wins, one

bye round, one wash out, suffered five losses, but remained competitive throughout the entire season.

As a positive development opportunity for the Club, five of the Bulldogs Harold Matthews Squad were selected to train twice a week alongside the Clubs' Jersey Flegg side. The exposure of the players to a higher intensity of training will no doubt be impactful for the side in 2023 and will certainly aid in their development in the years to come.

A special mention must go to Bailey Myers who was awarded the 2022 Harold Matthews Cup Player of the Year Award. The local junior, who has represented St. Christophers and Moorebank Rams, was a reliable cornerstone for the side throughout the season and a well-deserving recipient of the Award.

Our thanks go out to all the staff who worked tirelessly throughout the season, and we collectively look forward to an even bigger and better season in 2023.

# TARSHA GALE CUP REPORT

The season started positively for the 2022 Canterbury-Bankstown Bulldogs Tarsha Gale side.

Despite a disruptive pre-season, the girls had trained hard under difficult conditions due to COVID and wet weather, and there was confidence among the squad that a good season lay ahead.

The team earned two wins from three games at the start of competition but these were to be the only wins the squad would record in 2022.

As the season progressed the team managed to draw two games but unfortunately lost four. Given the girls game is still growing, the results aren't indicative of their potential. We have certainly seen some advances in their skill development at a higher level and with the return of a Harvey Norman Women's Premiership side in 2023, as well as key marquee recruitment to

support this expansion and growth in women's league at the Canterbury-Bankstown Bulldogs, we have no doubt that the level of skill for these girls will only continue to rise.

It has been a pleasure to watch the squad gain confidence over the six-month period that they spent together, training and playing under the Clubs' Tarsha Gale program.

A special mention goes to Monique Najjar who was named the 2022 Bulldogs Tarsha Gale Cup Player of the Year. Appearing in her second season for the Club, the utility featured in every fixture for the side.

The side finished the Tarsha Gale Cup season in 6th overall after narrowly being nudged out from 5th place on for and against point score.

# JUNIOR LEAGUE REPORT

2022 marked the 101st season for the Canterbury-Bankstown District Junior Rugby League (CBDJRL) and marked the return of a full season without the COVID disruptions that we saw in the previous two years.

Though wet weather caused six weeks of ground closures throughout March and April, all competitions from U5s through to A-Grade were pleasingly completed with only minimal wash-out weekends.

Overall player registrations for the CBDJRL were down in 2022, with a total of 3,231 players registered across 204 teams compared to 3,599 players and 228 teams in 2021. Feedback suggested that closed clubhouses and cancelled training sessions/trial matches contributed to the low numbers. The clubs also associated 'COVID complacency' to the lower numbers, where two years of lock down meant that parents and children had become accustomed to abandoned organised activities. Lower numbers aside, we played footy and thoroughly enjoyed our first full season in a few years.

In the 2022 season, the U13s through to A-Grade were combined in competition with Parramatta. Though they outweighed us in registration numbers, CBDJRL clubs were crowned premiers in six divisions (13-1s, 14-2s, 15-1s, 18-2s, A Silver and A Gold) and a further four teams were runners-up in their respective divisions (13-2s, 15-2s, 16-2s and 16-1s). Two of the top four teams in the 18-1s were also CBDJRL clubs.

These results are very pleasing and demonstrate the strength of our local juniors.

The 2022 season saw Barry Ward, General Manager Pathways & Junior League implement a number of initiatives to improve the selection process of junior talent squads and representative teams. One of these initiatives included the introduction of independent scouts to watch games from the 13s age up.

The introduction of scouts to these games ensured all players had equal and fair opportunity to be identified, and it made the selection process much easier. It also helped to improve the relationship between our local clubs and the senior club by making pathways to the NRL more visible.

The implementation of positive initiatives such as the above, as well as strong results across the U13s to 18s competitions means that the CBDJRL should be in a very competitive position for the 2023 junior representative season.

The CBDJRL were also very pleased to see three local juniors make their NRL debut for the Canterbury-Bankstown Bulldogs in the 2022 season. Our congratulations go to Jacob Kiraz (St Johns), Billy Tsikrikas (Milperra Colts) and Kurtis Morrin (Moorebank Rams). These three young men were all ten-year players at their junior clubs and are great examples of the talent that our junior clubs and pathways can produce.

Their debuts bring the total up to nine local juniors who have progressed to 1st grade since 2019.

No doubt a highlight of the season was the return to Belmore Sports Ground for our grand finals. This was the first time the finals series returned since 2018 and the games were held across three consecutive Saturdays and one Friday night. All teams who participated in the grand finals thoroughly enjoyed the full Belmore experience with professional team photos in front of the Bulldogs logo and sign, dressing rooms access and were invited to run through the tunnel onto the field. Medal presentations took place in the grandstand of the proud Belmore Sports Ground.

A second highlight of the season was our '100 Years of the CBDJRL' celebration which had been postponed from 2021 due to COVID. The function took place in July 2022 and was attended by just under 200 people. In a special announcement in honour of this wonderful achievement, a CBDJRL 'juniors only' Team of the Century was unveiled. It was a great and memorable night for all.

Though player numbers were down in 2022, this was certainly not due to the efforts of the volunteers running our 12 local clubs. Thank you to all the volunteers who generously give their time to each of our clubs, and we appreciate the passion that they bring every week.

Thank you also to Paul Archer, Daniel Gardner and all the referees from the Canterbury Bankstown Referees Association (CBRA). It is pleasing that their numbers have grown in 2022 and both the CBRA and junior league continue to work together to ensure our local footy remains healthy.

Finally, we must thank our major partner Canterbury League Club for their generous support and also to our junior league sponsors Piety Group, League Fit Australia, Bankstown Physiotherapy and Dental on Evaline whose contributions allow the CBDJRL to be the best it can.

# MEMBERSHIP REVIEW

2022 saw the launch of a new campaign to speak to the unparalleled passion and loyalty of the Bulldogs community – players, staff, Members and fans - and the slogan of “Once a Bulldog, Always a Bulldog” was born. The slogan became the basis of the Club’s Membership campaign and helped raise the Bulldogs’ total Membership number to 17,580 Members for 2022.

The Club welcomed 3,831 new Members in 2022 and are incredibly grateful for the Members who renewed in 2022, as well as those who returned after some time away from Membership.

For the first time since 2019, Members were afforded the opportunity to attend each home match in Sydney and without any COVID restrictions. A Christmas open training session was held at Belmore Sports Ground late in 2021 to begin the 2022 season and was attended by over 800 Members. Whilst COVID restrictions resulted in the cancellation of the Annual Members Day at the start of the season, the Club was able to deliver an end-of-year Christmas party at Accor Stadium that allowed Members to celebrate the season gone, and to also meet and greet the squad of 2023.

Members Appreciation Round was celebrated in Round 15 against the Wests Tigers at CommBank Stadium. Members were treated to an array of exclusive competitions, offers and discounts throughout the week, allowing Members from all locations to be recognised. Some lucky winners at the match were selected to have their seat upgraded or to receive a prize pack through an on-the-day random prize draw. All Members were invited to attend a post-match function in Club 18 to celebrate the win and be thanked by the players for their unwavering support.

Gone are the days of receiving the same standard Member pack. In partnership with TPF Sports in 2022, the Club offered Members the ability to customise their Membership Pack via our bespoke Mber+ platform. Using Member pack credits, 2022 Members were able

to browse and select from over 50 products, allowing them to choose and customise their pack based on individual preferences. Each Member had entitlements and credits loaded to their Mber+ account, which allowed them to redeem their items and shop a wider range of Member Exclusive Merchandise.

The introduction of the Mber+ platform enabled the Club to expand on the rewards that could be offered to long tenure Members and to further celebrate their long-standing connection to the Bulldogs. Members who reached a two-, five-, ten-, 20-, 30-, 40-, 50- or 60-year milestone in 2022 were given the opportunity to redeem a commemorative certificate and a choose between a complimentary lapel pin, medallion, or pennant flag to include in their pack. Furthermore, the 18 Jersey and Junior Rookie experiences were presented live on match day, creating unforgettable experiences for deserving Members.

The Bulldogs congratulate and thank all of our Members who celebrated a milestone year in 2022, as well as the following recipients of the 18 Jersey and Junior Rookie experiences:

ROUND	18 Jersey Winners	Junior Rookie
Round 2	Phillip Stewart	Brodie Walsh
Round 5	Chris Muir	Dean Hadley
Round 8	Daniel Biddle	Stella McAndrew
Round 12	Emily Pescud	Logan Mather
Round 14	Sarah Baird	Aleksandar Vojvodic
Round 15	Sandra Yerbury	Nicholas Zaki
Round 16	Richard Hadley	Meisha Toko
Round 18	Arthur Habib	Nicholas & Denise Kalianiotis
Round 19	George Dagher	Madeena Yatim
Round 21	Doug Beal	Christian Kanaan
Round 25	James Kermond	Abdullah El Homs

## GAME DAY & EVENTS

The easing of COVID restrictions resulted in close to a full calendar of events being delivered in 2022 for the first time since 2019.

With no crowd capacity limitations being enforced, each match day was planned with a focus on reconnecting Members and fans with the Club and reminding them of the thrill of witnessing live events. Our Members and fans thirst for Bulldogs matches resulted in significant increases in crowd figures and ticketing revenue, with some matches surpassing comparable events prior to COVID-19 by close to 400% in revenue. The largest crowd of the year was recorded at the Queen's Birthday clash against the Parramatta Eels, which saw 20,184 fans witness the Bulldogs win the inaugural i4Give Cup.

2022 also saw the Club return to Belmore for a regular season fixture for the first time since 2019, and it was a memorable day for all. The match sold out prior to gates opening and resulted in the Club more-than-doubling the ticket revenue earned from the previous match held at Belmore. We also delivered the first-ever regular season match at Salter Oval, Bundaberg. Bulldogs fever was contagious throughout the town and the match sold out well before the day. The Club made a conscious effort to engage with the local, regional community and travelling Bulldogs fans, and hosted a number of accessible events in the week leading into the match including an Open Training Session and a Corporate Luncheon.

Several recent Corporate and Club events that had been limited in numbers due to COVID restrictions or that had been cancelled as a result, made a successful return in 2022. A key event of which was the Team of the Century Dinner that had been postponed from 2021 to 2022. The event was delivered in 2022 and celebrated 100 years of the Canterbury-Bankstown District Junior Rugby League, as well as honoured players who had graduated from the local junior league clubs to play first grade for the Bulldogs. The season concluded with the first Club Presentation Night of three years and perfectly wrapped up a season which showed great promise and resilience.

The Game Day and Events team are looking forward to continuing to deliver customer focused events in 2023 and will take on board the key learnings from 2022 to greater enhance the experience for all.

## MERCHANDISE

Following a review of the retail program, the key objective for 2022 was to be consistent in providing our Members & fans availability to our products.

This resulted in the Club growing market share and far exceeding budgets set out in 2022, with sales comparable to 2015 (the season following a grand final appearance).

We collaborated with an established artist in Pam Brandy Hall, to design our Indigenous jersey for the Round 12 clash at Belmore. The sell-out range included the on-field jersey with the addition of a training tee, training shorts and hoodie.

## MERCHANDISE (CONTINUED)

A key retail highlight for the Club in 2022 was the launch of the Illuvium jersey. By working with our existing 2022 official Front of Shorts partners, Illuvium, the Club designed and delivered a one-off custom jersey. The jersey was offered to customers to purchase in a bundle with a 2023 Membership and Cosplay Non-Fungible Token (NFT) and was a first of its' kind in the NRL. The Illuvium jersey was distributed internationally to over 30 countries, allowing the birth of Bulldogs fans all around the world.

In 2023, the Club has proudly launched a new Home and Away on-field kit that features a fresh, clean jersey design and a dominant Bulldogs blue and white 'V' stripe.

## CORPORATE PROGRAM

Bulldogs Partnerships delivered strong growth in 2022 with the Club welcoming 44 new seasonal partners during the season.

For the first time since 2019, partners were able to attend all games in corporate areas without COVID restrictions, and so the Hospitality & Event program was able run in full. There were several partnership benefits that had been rolled over from the previous affected seasons and most of these were able to be delivered for respective partners, alongside some great uptake in new business in 2022.

The Partnership Program exceeded an aggressive budget in 2022 with growth on the previous season up over \$1M in revenue. There was also more structure with the implementation of a CRM & Ticketing System as well as the appointment of new Club staff members to deliver the program across the season.

The Players Club product was sold out before the season had commenced, and Bulldogs in Business attracted over 50 businesses in its' first year of operation, creating many business networking connections that resulted in an estimated \$5M+ in business deals as a result.

The 2023 season sees the Bulldogs Partnerships department go from strength to strength, with almost all apparel brands renewing in some capacity, and with all apparel positions filled. Laundy Hotels has signed a five-year extension with a future renewal clause that could see the Major Partner remain on the front of the jersey for the next decade. This extensive deal has created a very strong position for the Club going forward financially, and the Bulldogs thank the Laundy Hotel Group and Laundy family for their ongoing support. Collectively, the Jersey has seen an increase in real value of \$1M across its assets in 2023. This is a vote of confidence from all of the brands involved in the Club's future prospects.

Most importantly, it is the support that Members and fans give to our partners that enables the Club to develop stronger and more exciting partnerships into the future. Without a fanbase as engaged and diverse as the Bulldogs offer, brands would find it hard to justify the opportunity.

Thank you also to the Board, Executive Team, Commercial Divisions, Players and Football Staff, for supporting and assisting the Club in delivering the level of quality and service that has been a trademark of the Bulldogs Club for many years.

## BULLDOGS IN THE COMMUNITY

Dealing with COVID made everyone in the world look at life in a different way. At the Bulldogs, the community has always been number one and during the pandemic, it became even more apparent that community truly is the backbone of this great Club.

Whilst we were very active in 2022, we are entering a period of time where we can look forward to all the good things that we can do together as a community again after COVID. We are fortunate to have so many active people within the Community Arm, people who care and so generously give their time and effort to support our great club.

It is difficult to put a true value on the donations that the Bulldogs Community Arm deliver each year, with a large volume of merchandise being gifted regularly to schools, foundations, hospitals, etc., and given the time that Bulldogs players and staff give to visit and deliver talks. Some of the activities that the players have generously gifted their time and efforts to include hospital visits, PCYC activities, programs, talks at men's health initiatives, organized food donation drives and feeding of the homeless. These are just a few of the many things that the Bulldogs in the Community Arm deliver each year.

# BULLDOGS IN THE COMMUNITY (CONTINUED)

Looking back at 2022, the key initiatives that the Community Arm has delivered include:

- Building relationships with local schools that are always looking for ways to support their students. This is very important for the Bulldogs to ensure a strong and positive relationship with students and teachers in all schools.
- Preparing young men and women to become community leaders in the future by ensuring that all Bulldogs Pathways Programs are set up to support and direct young Bulldogs players for future employment after football.
- Welcoming the NSW Fire & Rescue to the Bulldogs family. Players and staff witnessed firsthand the training that is required to join the NSW Fire Department.
- Hosting of the Bulldogs 2022 Iftar dinner, with Bulldogs alumni Hazem El Masri and wife, Arwa Abousamra kindly hosting the evening on behalf of the Club at Accor Stadium. The evening was full of positive energy and the food was outstanding. A positive night to bring people together from all walks of life.
- Hosting of the Women in League (WIL) Lunch at the Canterbury League Club. The event was a great way to celebrate women in sport and Kelly Brown from Recovery Partners was the main guest speaker on the day. Kelly provided guests with a positive outline of her business journey and was joined by Arwa Abousamra and Hazem El Masri to provide insights on being the very first ambassadors appointed for Harvey Norman Women in League, over 14 years ago.
- The support of local author, Alex Sarkis, who wrote a book titled 'Something Blue' about her life growing up in Belmore. In the book, Alex referenced being a Bulldogs supporter. Alex kindly donated a signed book to each of the guests at the Women in League Lunch and the feedback was overwhelmingly positive. The event and recognition of Alex was a great way to celebrate women and bring females in the Bulldogs family together. The community greatly looks forward to WIL in 2023.

Further activities of the Club in 2022:

- Bulldogs former players and ambassadors Luke Goodwin and Terry Lamb championed many additional community requests: Hospitals, schools, and even a visit to Long Bay Jail to talk to staff and

inmates about the Bulldogs brand. The Club also hosted many children from the Clontarf Program throughout the year.

- The 2022 Captains run provided a popular opportunity for local schools, who were invited to attend and witness all the hard work that the players do before a game. Due to COVID, visitors had to watch the players train from a distance which was still received well.
- During the year, Punchbowl Boys students built a charity box for the Bulldogs community. The charity box was designed for players to donate old boots and unwanted items that could be repurposed, recycled, or reused within the community.
- The Bulldogs partnered with 'Deadly Choices' to support Indigenous Health. The Program which will be announced in 2023, promotes healthy lifestyle choices for Aboriginal & Torres Strait Islander people through the Deadly Choices brand.
- The Bulldogs also partnered with NSWRL and 'The Changing Rooms Project'. The project is designed to educate and provide support to the Bulldogs community between ages 11-20 years old on mental health and well-being for boys and schools. Topics discussed are mental fitness, depression, anxiety, self-harm, suicide prevention, drugs, and alcohol abuse. The program has been a success within the community.
- In August, The Bulldogs family travelled to Bundaberg and during this time, NRL players and staff visited several schools including Bundaberg State High, Bargara Primary, Norville Primary & Shalom State High. The local member of Bundaberg, Tom Smith introduced the Bulldogs players and staff to community partners and charities such as Life Flight Helicopters. The trip was a success, and we are looking forward to returning to the area in 2023.

Formal recognition must also be given to Bulldogs player Raymond Faitala-Mariner, who has invested a large amount of time and effort in community work. It was fitting for Raymond to win the Bulldogs Community Award and receive a nomination to the NRL Ken Stephen Medal as a finalist. He is an outstanding ambassador for the Bulldogs when it comes to the community and an extremely valued member of our Bulldogs team.

# NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 October 2022

## 1 Reporting entity

Canterbury Bankstown Bulldogs Rugby League Club Limited (the "Company") is a company incorporated and domiciled in Australia. The consolidated financial statements of the Company as at and for the year ended 31 October 2022 comprise the Company and its controlled entity (Canterbury League Club Limited) (together referred to as the 'Consolidated entity' and individually as 'Controlled entity').

The Company is a Company limited by guarantee and without share capital. In accordance with the Constitution of the Company, every member of the Company undertakes to contribute an amount limited to \$10 per member in the event of the winding up of the Company during the time that he or she is a member or within one year thereafter.

The Consolidated entity is a not-for-profit entity and is primarily involved in the operation of registered clubs and the promotion of rugby league.

## 2 Basis of preparation

### (a) Statement of compliance

These consolidated financial statements are general purpose financial statements for distribution to the members and for the purpose of fulfilling the requirements of the *Corporations Act 2001*. They have been prepared in accordance with Australian Accounting Standards - Simplified Disclosures made by the Australian Accounting Standards Board and the *Corporations Act 2001*.

These consolidated financial statements are the first general purpose financial statements prepared in accordance with Australian Accounting Standards - Simplified Disclosures. In the prior year the consolidated financial statements were general purpose financial statements in accordance with Australian Accounting Standards - Reduced Disclosure Requirements. There was no impact on the recognition and measurement of amounts recognised in the statements of financial position, profit and loss and other comprehensive income and cash flows of the Group as a result of the change in the basis of preparation.

ASIC Class Order 10/654 *Inclusion of parent entity financial statements in financial reports* has been applied to permit the inclusion of parent entity financial statements in this consolidated financial report.

These consolidated financial statements were authorised for issue by the Company's Board of Directors on 19 December 2022.

### (b) Basis of measurement

These consolidated financial statements have been prepared on the historical cost basis, except for investment property which is measured at fair value.

### (c) Functional and presentation currency

These consolidated financial statements are presented in Australian dollars, which is also the Consolidated entity's functional currency.

### (d) Use of estimates and judgements

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment within the next financial year are included in the following notes:

- Note 11 Investment property
- Note 13 Property, plant and equipment
- Note 15 Intangible assets
- Note 16 Trade and other payables
- Note 20 Leases
- Note 22 Contingent assets and contingent liabilities

### (e) Going concern

The financial statements of the Company and its Controlled entity have been prepared on the going concern basis of accounting, which assumes the continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business.

# NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 October 2022

## 2 Basis of preparation (continued)

### (e) Going concern (continued)

#### (i) Company

The Company has reported a working capital deficiency of \$2,900,541 (2021: surplus of \$449,458), negative net assets position of \$52,197 (2021: positive net assets position of \$1,802,070), net cash outflows from operating activities of \$775,964 (2021: net cash outflow from operating activities of \$374,134) and loss after tax of \$1,854,267 (2021: profit after tax of \$1,620,560) as at 31 October 2022. Notwithstanding the above, the Directors believe the ongoing concern assumption is appropriate given:

- The Controlled entity has committed grant funding to the Company for the year ending 31 October 2022 of \$6,050,000.
- The Company has an unutilised overdraft facility of \$1,500,00 available from Commonwealth Bank of Australia; and
- In addition to the committed funding above, the Controlled entity has undertaken to continue to provide such financial and other support that the Directors determine, is within its capacity and that is necessary (including grants or loans) to the Company for at least the next twelve months from the date of approval of the Company's financial statements for the year ended 31 October 2022 to enable the Company to continue to trade and to meet its financial obligations and be able to pay its debts as and when they become due and payable.

After considering the above, the Directors consider that the Company will be able to continue to fulfil all obligations as and when they fall due for the foreseeable future, being at least one year from the date of approval of these financial statements, and accordingly, that the Company's financial statements should be prepared on a going concern basis.

#### (ii) Controlled entity

As at 31 October 2022, the Controlled entity recorded a net working capital deficiency of \$4,460,739 (2021: deficiency of \$2,061,271) and net assets of \$194,789,254 (2021: \$182,895,357). The Controlled entity recorded a net profit for the year of \$11,893,897 (2021: \$2,930,153) and positive operating cash flows of \$24,841,205 (2021: \$6,393,031).

The Directors have prepared the cash flow forecasts for the 13 months post year end date of 31 October 2022 (1 November 2022 to 31 November 2023) and are comfortable that the Controlled entity will be able to meet its financial obligations as and when they fall due.

Accordingly, the Directors have prepared the financial report on a going concern basis in the belief that the Controlled entity will realise its assets and settle its liabilities and commitments in the normal course of business and for at least the amounts stated in the financial report.

### (f) New and amended standards adopted by the Group

The Group has initially adopted the following standard and amendments from 1 November 2021:

- AASB 1060 General Purpose Financial Statements - Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities;

The above standard and amendments did not have any impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

A number of other new standards are also effective from 1 November 2021 but they do not have a material effect on Group's financials statements.

## 3 Significant accounting policies

The accounting policies set out below have been applied consistently to all periods presented in these consolidated financial statements, except for the adoption of new accounting standards.

### (a) Basis of consolidation

#### (i) Subsidiaries

Subsidiaries are entities controlled by the Consolidated entity. Control exists when the Consolidated entity has the power to govern the financial and operating policies of an entity so as to obtain benefits from its activities. In assessing control, potential voting rights that currently are exercisable are taken into account. The financial statements of subsidiaries are included in the consolidated financial statements from the date that control commences until the date that control ceases. The accounting policies of subsidiaries have been changed when necessary to align them with the policies adopted by the Consolidated entity.

# NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 October 2022

## 3 Significant accounting policies (continued)

### (a) Basis of consolidation (continued)

#### *ii) Transactions eliminated on consolidation*

Intra-group balances, and any unrealised income and expenses arising from intra-group transactions, are eliminated in preparing the consolidated financial statements.

#### *(iii) Amalgamation reserve*

An amalgamation reserve in members' funds is utilised for amalgamations with other registered clubs. The amount presented is equal to the fair value of the net assets of the club acquired at the date of acquisition. The individual assets and liabilities acquired are presented in the consolidated statement of financial position. This policy is effective for amalgamations occurring after 1 November 2010.

### (b) Financial instruments

#### *(i) Recognition and derecognition*

Financial assets and financial liabilities are recognised when the Consolidated entity becomes a party to the contractual provision of a financial instrument.

Financial assets are derecognised when the contractual rights to the cash flows from the financial assets expire, or when the financial asset and substantially all the risks and rewards are transferred.

A financial liability is derecognised when it is extinguished, discharged, cancelled or expires.

#### *(ii) Classification and measurement of financial assets*

Financial assets are classified according to their business model and the characteristics of their contractual cash flows. Except for those receivables that do not contain a significant financing component and are measured at the transaction price, all financial assets are initially measured at fair value adjusted for transactions costs (where applicable).

#### *(iii) Subsequent measurement of financial assets*

For the purpose of subsequent measurement, financial assets, other than those designated and effective as

- Financial assets at fair value through profit or loss (FVTPL);
- Financial assets at amortised cost;
- Debt instruments at fair value through other comprehensive income (FVTOCI); and
- Equity Instruments at FVTOCI.

Financial assets are not reclassified subsequent to their initial recognition unless the Consolidated entity changes its business model for managing financial assets, in which case all affected financial assets are reclassified on the first day of the first reporting period following the change in the business model.

All income and expenses relating to financial assets that are recognised in profit or loss are presented within finance income and finance expenses, except for impairment of trade receivables which is presented within other expenses.

Financial assets with contractual cash flows representing solely payments of principal and interest and held within a business model of 'hold to collect' contractual cash flows are accounted for at amortised cost using the effective interest method.

Financial assets at amortised costs comprise of cash at bank and trade and other receivables. There are no financial assets classified under the FVPTL, debt instruments at FVTOCI and equity instruments at FVTOCI categories.

#### *(iv) Classification and measurement of financial liabilities*

Financial liabilities are initially measured at fair value, and, where applicable, adjusted for transaction costs unless the Consolidated entity designated a financial liability at fair value through profit or loss.

Subsequently, financial liabilities are measured at amortised cost using the effective interest method except for derivatives and financial liabilities designated at FVPL, which are carried subsequently at fair value with gains or losses recognised in profit or loss (other than derivative financial instruments that are designated and effective as hedging instruments).

### (c) Property, plant and equipment

#### *(i) Recognition and measurement*

Items of property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses.

# NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 October 2022

## 3 Significant accounting policies (continued)

### (c) Property, plant and equipment (continued)

#### (i) Recognition and measurement (continued)

Cost includes expenditure that is directly attributable to the acquisition of the asset. Purchased software that is integral to the functionality of the related equipment is capitalised as part of that equipment.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Any gains and losses on disposal of an item of property, plant and equipment (calculated as the difference between the net proceeds from disposal and the carrying amount of the item) is recognised in profit or loss.

#### (ii) Subsequent costs

Subsequent expenditure is capitalised only when it is probable that the future economic benefits associated with the expenditure will flow to the Consolidated entity. Ongoing repairs and maintenance are expensed as incurred.

#### (iii) Depreciation

Depreciation is calculated over the depreciable amount, which is the cost of an asset, or other amount substituted for cost, less its residual value.

Depreciation is recognised in profit or loss over the estimated useful lives of each part of an item of property, plant and equipment, since this most closely reflects the expected pattern of consumption of the future economic benefits embodied in the asset. Leased assets are depreciated over the shorter of the lease term and their useful lives unless it is reasonably certain that the Consolidated entity will obtain ownership by the end of the lease term. Land is not depreciated.

The depreciation methods and estimated depreciation rates for the current and comparative periods are as follows:

	Depreciation rates	Depreciation methods
Leasehold improvements	33.30%	Straight line
Land and Buildings*	2.50%	Straight line
Furniture and fittings, plant and equipment	10 - 40%	Diminishing value
Poker machines	20 - 40%	Diminishing value
Assets under lease/hire purchase	25%	Straight line

Depreciation methods, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

\* Land is not depreciated

### (d) Intangible assets

#### *Poker machine entitlements*

Poker machine entitlements have infinite useful lives given they have no expiry date. They are measured at cost less accumulated impairment losses. Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is recognised in profit or loss as incurred. Poker machine entitlements have indefinite useful lives as they have no expiry date. Accordingly, such intangible assets are not amortised but are systematically tested for impairment at each reporting date.

### (e) Investment property

Investment property is property held either to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purposes. Investment property is measured at cost on initial recognition and subsequently at fair value with any change therein recognised in profit or loss. Cost includes expenditure that is directly attributable to the acquisition of the investment property.

When the use of a property changes such that it is reclassified as property, plant and equipment, its fair value at the date of reclassification becomes its cost for subsequent accounting.

### (f) Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of inventories is based on the first-in first-out principle, and includes expenditure incurred in acquiring the inventories and other costs incurred in bringing them to their existing location and condition.

### (f) Inventories (continued)

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

### (g) Impairment

#### (i) Non-derivatives financial assets

The Consolidated entity recognises loss allowances for Expected credit losses (ECL) on financial assets measured at amortised cost.

The Consolidated entity measures loss allowances for cash at bank balances as 12-month ECL as credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECL, the Consolidated entity considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Consolidated entity's historical experience and informed credit assessment and including forward-looking information.

The Consolidated entity considers cash balance to have low credit risk when its credit risk rating is equivalent to the globally understood definition of "investment grade". The Consolidated entity considers this to be Baa3 or a higher rating per Moody's or BBB- or higher per Standards and Poor's.

12-month ECLs are the portion of ECLs that result from default events that are possible within the 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

The maximum period considered when estimating ECLs is the maximum contractual period over which the Company is exposed to credit risk.

#### Measurement of ECLs

ECLs are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flow due to the entity in accordance with the contract and the cash flows that the Company expects to receive).

ECLs are discounted at the effective interest rate of the financial asset.

At each reporting date, the Consolidated entity assesses whether financial assets carried at amortised cost are credit impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

#### Presentation of allowance for ECL in the statement of financial position

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

#### Trade and other receivables

A provision for impairment of trade receivables is established when there is objective evidence that the Consolidated entity will not be able to collect all amounts due according to the original terms of the receivables. Provision is raised on a specific debtor as well as on a collective basis. Significant financial difficulties of the debtor, probability that the debtor will enter bankruptcy or financial reorganisation, and default or delinquency in payments are considered indicators that a specific debtor balance is impaired. The carrying amount of the asset is reduced through the use of an allowance account, and the amount of the loss is recognised in profit or loss. When a receivable is uncollectable, it is written off against the allowance for receivables. Subsequent recoveries of amounts previously written off are credited against profit or loss.

#### (ii) Non-financial assets

At each reporting date, the Consolidated entity reviews the carrying amounts of its non-financial assets (other than investment property, inventories and deferred tax assets) to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or CGUs.

## 3 Significant accounting policies (continued)

### (g) Impairment (continued)

#### *(ii) Non-financial assets (continued)*

The recoverable amount of asset of CGU is the greater of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risk specific to the asset or CGU.

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its recoverable amount.

Impairment losses are recognised in profit or loss. They are allocated to the carrying amounts of the assets in the CGU on a pro rata basis.

An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

### (h) Employee benefits

#### *(i) Defined contribution plans*

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which services are rendered by employees.

#### *(ii) Other long-term employee benefits*

The Consolidated entity's net obligation in respect of long-term employee benefits other than defined benefit plans is the amount of future benefit that employees have earned in return for their service in the current and prior periods plus related on-costs; that benefit is discounted to determine its present value, and the fair value of any related assets is deducted. The discount rate is the yield at the reporting date on government bonds that have maturity dates approximating the terms of the Consolidated entity's obligations.

#### *(iii) Short-term benefits*

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided.

### (i) Provisions

A provision is recognised if, as a result of a past event, the Consolidated entity has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

The Consolidated entity operates a loyalty program where customers accumulate points for dollars spent. The provision represents the current estimate of future cash outflows that will result from future redemption of unredeemed points as at year end.

#### *Make good provision*

In accordance with the Consolidated entity's leases of premises, the Consolidated entity must restore leased premises to their original condition. Because of the long-term nature of the liability, the greatest uncertainty in estimating the provision is the costs that will ultimately be incurred.

The provision is the best estimate of the present value of the expenditure required to settle the make good obligation at the reporting date, based on current market conditions. Future restoration costs are reviewed annually and any changes are reflected in the present value of the make good provision at the end of the reporting period.

### (j) Revenue

#### *Provision of services*

Revenue from the provision of services includes sponsorship and corporate hospitality, membership subscriptions, merchandise royalties and commissions. Revenue from the provision of services is recognised in the period over which the Consolidated entity satisfies its performance obligations or series of performance obligations to its customers. Revenue is recognised to the extent that recovery of the contract consideration is considered probable and the amount of revenue can be measured reliably. Revenue is deferred to the extent that the Consolidated entity has not met its performance obligations to its customers. Revenue is recognised using the output method under the terms of each contractual arrangement with customers.

### (j) Revenue (continued)

#### *Gaming revenue*

Revenue from gaming is recognised at a point-in-time being the net difference between gaming wins and losses for the day and is recognised at the close of business each day.

#### *Food and beverage revenue*

Food and beverage revenue is recognised at the point in time the goods are provided and payment is collected.

#### *Function and other revenues*

Function and other revenues are recognised at the point in time services are performed.

#### *Commissions*

When the Consolidated entity acts in the capacity of an agent rather than as the principal in a transaction, the revenue recognised is the net amount of commission made by the Consolidated entity.

#### *Grant revenue*

Grants are initially recognised as deferred income at fair value if there is reasonable assurance that the grants will be received, and that the Consolidated entity will satisfy the performance obligations associated with the grant. Grant revenue is recognised on a systematic basis over the period to which the grant relates.

### (k) Finance income and finance costs

Finance income comprises interest income on cash and cash equivalents. Interest income is recognised as it accrues in profit or loss, using the effective interest method.

Finance costs comprise interest expense on loans and borrowings. Borrowing costs that are not directly attributable to the acquisition, construction or productions of a qualifying asset are recognised in profit or loss using the effective interest method.

## (l) Taxation

### *(i) Company*

The Company is exempt from income tax under Taxation Ruling 97/22 as the Company is regarded as being established for the encouragement of a game and sport.

### *(ii) Consolidated entity*

#### *a) Current tax*

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years.

#### *b) Deferred tax*

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

The measurement of deferred tax reflects the tax consequences that could follow the manner in which the Consolidated entity expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted by the reporting date.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

A deferred tax asset is recognised for unused tax losses, tax credits and deductible temporary differences, to the extent that it is probable that future taxable profits will be available against which they can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

## 3 Significant accounting policies (continued)

### (l) Taxation (continued)

#### (ii) Consolidated entity (continued)

##### c) Tax exposure

In determining the amount of current and deferred tax the Consolidated entity takes into account the impact of uncertain tax positions and whether additional taxes and interest may be due. This assessment relies on estimates and assumptions and may involve a series of judgements about future events. New information may become available that causes the Consolidated entity to change its judgement regarding the adequacy of existing tax liabilities; such changes to tax liabilities will impact tax expense in the period that such a determination is made.

### (m) Goods and services tax

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the taxation authority. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated with the amount of GST included. The net amount of GST recoverable from, or payable to, the Australian Taxation Office (ATO) is included as a current asset or liability in the statement of financial position.

Cash flows are included in the statement of cash flows on a gross basis. The GST components of cash flows arising from investing and financing activities which are recoverable from, or payable to, the ATO are classified as operating cash flows.

### (n) Leases

At inception of a contract, the Consolidated entity assesses whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Consolidated entity assesses whether:

- the contract involves the use of an identified asset – this may be specified explicitly or implicitly, and should be physically distinct or represent substantially all of the capacity of a physically distinct asset. If the supplier has a substantive substitution right, then the asset is not identified;
- the Consolidated entity has the right to obtain substantially all of the economic benefits from use of the asset throughout the period of use; and
- the Consolidated entity has the right to direct the use of the asset. The Consolidated entity has this right when it has the decision-making rights that are most relevant to changing how and for what purpose the asset is used. In rare cases where the decision about how and for what purpose the asset is used is predetermined, the Consolidated entity has the right to direct the use of the asset if either:
  - the Consolidated entity has the right to operate the asset; or
  - the Consolidated entity designed the asset in a way that predetermines how and for what purpose it will be used.

At inception or on reassessment of a contract that contains a lease component, the Consolidated entity allocates the consideration in the contract to each lease component on the basis of their relative stand-alone prices.

For contracts entered into before, the Consolidated entity determined whether the arrangement was or contained a lease based on the assessment of whether:

- fulfilment of the arrangement was dependent on the use of a specific asset or assets; and
- the arrangement had conveyed a right to use the asset. An arrangement conveyed the right to use the asset if one of the following was met:
  - the purchaser had the ability or right to operate the asset while obtaining or controlling more than an insignificant amount of the output;
  - the purchaser had the ability or right to control physical access to the asset while obtaining or controlling more than an insignificant amount of the output; or
  - facts and circumstances indicated that it was remote that other parties would take more than an insignificant amount of the output, and the price per unit was neither fixed per unit of output nor equal to the current market price per unit of output.

### (n) Leases (continued)

#### *(i) As a lessee*

The Consolidated entity recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date and plus any initial direct costs incurred.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, and the Consolidated entity's incremental borrowing rate. Generally, the Consolidated entity uses its incremental borrowing rate as the discount rate.

Lease payment included in the measurement of the lease liability comprise the following:

- fixed payments, including in-substance fixed payments;
- variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date; and
- lease payments in an optional renewal period if the Consolidated entity is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the Consolidated entity is reasonably certain not to terminate early.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Controlled entity's estimate of the amount expected to be payable under a residual value guarantee, or if the Controlled entity changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero. The Consolidated entity presents right-of-use assets and lease liabilities separately in the statement of financial position.

#### *(ii) As a lessor*

When the Consolidated entity acts as a lessor, it determines at lease inception whether each lease is a finance lease or an operating lease. To classify each lease, the Consolidated entity makes an overall assessment of whether the lease transfers substantially all of the risks and rewards incidental to ownership of the underlying asset. If this is the case, then the lease is a finance lease; if not, then it is an operating lease. As part of this assessment, the Consolidated entity considers certain indicators such as whether the lease is for the major part of the economic life of the asset.

The Consolidated entity recognises lease payments received under operating leases as income on a straight line basis over the lease term as part of "other revenue".

The accounting policies applicable to the Consolidated entity as a lessor in the comparative period were not different from AASB 16.

### Valuation of land and buildings

The latest independent valuations of the Company's land and buildings, carried out in October 2018 by Hymans Assets Management on the basis of open market value for existing use, resulted in a valuation of land and buildings of \$219,000,000. Any additions or transfers since the valuations are expected to be reflected in an equivalent increase in the recoverable amount of the Company's land and buildings. The written down value of land and buildings as at 31 October 2022 is \$149,243,675 (2021: \$153,278,326). The Directors are comfortable that the carrying amounts of the land and buildings are not impaired.

## 26 Fair value measurement recognised in the Statement of Financial Position

The fair value measurement disclosures use a three-tier value hierarchy that reflects the significance of the inputs used in measuring fair values. The fair value hierarchy is comprised of the following levels:

- Level 1 – fair values measured using quoted prices (unadjusted) in active markets for identical instruments;
- Level 2 – fair values measured using directly (i.e. as prices) or indirectly (i.e. derived from prices) observable inputs, other than quoted prices included in Level 1; and
- Level 3 – fair values measured using inputs that are not based on observable market data (unobservable inputs).

The fair value of investment property was determined by external, independent property valuers, having appropriate recognised professional qualifications and recent experience in the location and category of the property being valued. The fair value measurement for all of the investment properties has been categorised as a Level 2 fair value given the valuation methodology used by the valuer is the direct comparison approach.

# INDEPENDENT AUDITOR'S REPORT

## Responsibilities of the Directors for the Financial Report

The Directors are responsible for:

- Preparing the Financial Report that gives a true and fair view in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and the *Corporations Act 2001*;
- Implementing necessary internal control to enable the preparation of a Financial Report that gives a true and fair view and is free from material misstatement, whether due to fraud or error; and
- Assessing the Consolidated entity and Company's ability to continue as a going concern and whether the use of the going concern basis of accounting is appropriate. This includes disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless they either intend to liquidate the Consolidated entity and Company or to cease operations, or have no realistic alternative but to do so.

## Auditor's responsibilities for the audit of the Financial Report

Our objective is:

- To obtain reasonable assurance about whether the Financial Report as a whole is free from material misstatement, whether due to fraud or error; and
- To issue an Auditor's Report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with *Australian Auditing Standards* will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error. They are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Financial Report.

A further description of our responsibilities for the audit of the Financial Report is located at the *Auditing and Assurance Standards Board* website at: [http://www.auasb.gov.au/auditors\\_responsibilities/ar3.pdf](http://www.auasb.gov.au/auditors_responsibilities/ar3.pdf) This description forms part of our Auditor's Report.

## AGENDA ITEM #6: CHIEF EXECUTIVE REPORT

Mr Warburton thanked all Members, corporate partners, Laundry Hotels, Greg Pickering, Peter Winchester and League Club Board for their continued support. Mr Warburton thanked John Khoury and the Football Club Board for their dedication and commitment to the Club.

Mr Warburton reflected on the past 12 months noting not only the recruitment of high-profile profile players but also the hires in the back office welcoming Phil Gould, Shane Millard, Gurpreet Singh and Willie (William) Mason along with ten new hires across the commercial program.

Mr Warburton stated that the Clubs vision is to build a Club of sustained excellence across all areas of the business Football, Commercial and Community.

Mr Warburton highlighted that for the first time, the Club launched a fully bespoke membership program, allowing members the ability to select only what they want. Mr Warburton reiterated that when the Club listens and Members feel valued, we grow together.

Mr Warburton spoke of the importance of community and some of the work that the Bulldogs achieved in 2021 including supporting healthcare workers, providing fresh meals to the community during lockdown, engagement with schools and delivering NSW's first and only drive-through vaccination centre at Belmore Sports Ground.

Mr Warburton reiterated the Clubs commitment to Belmore with blockbuster games, refurbishment investments and engaging a leading consultant to assist in building a new Academy and headquarter at Belmore Sports Ground.

Mr Warburton spoke of the excitement in the air for the 2022 season and finished by thanking all the members who joined the meeting in person and on Zoom.

## AGENDA ITEM #7: GENERAL MANAGER OF FOOTBALL

Mr Gould began by expressing his appreciation for the members and stated that it is wonderful to be back at the Club. Mr Gould thanked all of the Clubs corporate partners and sponsors, in particular the Board, Management and Staff of Canterbury League Club for their long-standing significant support.

Mr Gould spoke of John Khoury and Football Club Board being great people, passionate, smart, hardworking and true Bulldog supporters. Mr Gould stated that he is appreciative of the Members for supporting the current Board in office, as it gives the Club a great chance to plan for the future.

Mr Gould spoke of short-term results and long-term success for the future of the Club. Mr Gould stated that the goal for long term sustainable success is that the Bulldogs never find themselves in this position again on the field.

Mr Gould stated that the coaches and staff are a hard-working group, experienced players and great young talent. Mr Gould expressed the appointment of Barry Ward as the General Manager of Pathways has been significant to assist junior representative coaches, junior development coaches and junior league coaches. Mr Gould reiterated the importance of providing young players with the best in coaching, physical education, and a pathway to an elite level should they choose to peruse a playing career.

Mr Gould noted the importance of not only building juniors in our own community but establishing satellite academies to ensure the future long term-success of the Club. Mr Gould mentioned regions that include Greater Northern and North Coast of New South Wales along with Bundaberg and Toowoomba in Queensland.

Mr Gould reiterated Mr Khoury's earlier remark of the lack of junior representative facilities, noting that the teams are currently all using the facilities at Belmore Sports Ground. Mr Gould stated that it was great to have the NSW Cup team back in the Bulldogs colours. This will be built up over the next couple of seasons to form a complete Club.

Mr Gould finished by speaking of the challenges the team faced with Covid. Mr Gould stated that all Clubs will be faced with similar challenges and assured members that the Club have the best in medical, best in protocols and that the Club will be prepared to face the 2022 season.

Mr Khoury requested a show of hands in support of the motion and a poll was triggered for members on Zoom.

## CARRIED

Mr Morris accepted his nomination of Life Membership and thanked Mr Elias for the nomination, friendship and mentoring over the years. Mr Morris expressed his gratitude to the Board and Club for the wonderful honour of Life Membership, noting his love for the Club and the loyalty of the supporters.

## AGENDA ITEM #9: GENERAL BUSINESS

Mr Khoury invited members to submit any questions through the chat feature on Zoom.

Natalie Scott #1512 – Ms Scott thanked the Board and Leadership team for their community service work providing meals for those in need. Ms Scott asked if Members could have an opportunity get involved in Bulldogs driven community initiatives.

Mr Khoury thanked Ms Scott for her feedback and invited any member who would like to be involved with Club initiatives to contact the Club's reception.

Lou Boutros #1113 – Mr Boutros stated that Mr Khoury and the Board have done an outstanding job with the recruitment of Aaron Warburton and Phil Gould, stating that he would support a four-year term for the current Board.

Mr Khoury explained that there is a constitution that governs the Club, including Directors' terms. Mr Khoury advised that there is a constitutional reform working group comprised of current Board members and external consultants currently undertaking a review of the constitution. Mr Khoury will provide an update to Members when available.

Mr Khoury noted that all the business set out in the agenda had been conducted, and that there is no other business to be raised.

Mr Khoury ended by congratulating the Clubs new Life Members and thanked all Members for attending the meeting.

Mr Khoury closed the meeting at 11:35am.

John Khoury
